Dear Mr. Taylor:

Your application for financial assistance in exploring the subject property and other information available to us have now been reviewed.

The careful study of all this information indicates that the probability of disclosing significant ore reserves on your property is not sufficiently promising to justify Government participation in the proposed exploration. We regret to advise you that under these circumstances your application for exploration assistance is denied.

Enclosed are the following documents which you have requested to be returned:

Letter June 10, 1957, from Phillips Petroleum Co.
Letter Apr. 24, 1958, from Rare Metals Corp.
Weight and Assay Certificates (4) from Tube City Mill
Letter Dec. 27, 1962, from Homestake-Sapin Partners
Letter Oct. 29, 1959, from U. S. Atomic Energy Commission
Agreement Sept. 24, 1956, Taylor-Hallars (cancelled 1958)
Mining Lease with Option, Jan. 13, 1958, Taylor-Hallars et al

Sincerely yours,

George Fumich, Jr.
