To: ~~Reports and Records Unit, Room 4624, New Interior Building~~

Through: Tom Lyon, Director, Program Development Division

From: George B. Holderer, Chief, Ferro-Alloys Branch, BMPA George B. Holderer

Subject: DMA-1673 - Tentative proposal for chrome research
Southwestern Engineering Company, Los Angeles, California

DMA-1674 - Tentative proposal for manganese research -
Same firm

The Southwestern Engineering Company, Los Angeles, California, submitted tentative proposals in letter form to accomplish beneficiation research on chrome and manganese ores.

No further action has been taken by the Government or the company on the proposals and they do not appear advisable at this time.

Therefore, we suggest that you mark these dockets closed.

Approved:

Tom Lyon

Director, Program Development Division
