Docket No. DMEA-2715
Cuba Mining Company
Wisconsin

Dear Mr. Needham:

As a result of the application for additional exploration assistance by the Cuba Mining Company, assignee of the D. H. and S. Mining Company, Contract No. Idm-E245, there are enclosed an original and five copies of Amendment No. 4 thereto which have been signed by the Government. This amendment was prepared in conformity with the suggestions made by Mr. Wesly Gresh over the telephone to Mr. Keating and as set forth in the former's memorandum to you dated November 12, 1952.

The Harry and Loretta DeMuth, the Richard and Margaret Bennett, the Clarence and Annie Buckingham and the R. D. and Eva James tracts of land, not included in the original contract, are added by this amendment, but Owner's Consents to Lien therefor have not been submitted to this office. We are informed that Mr. Gresh has these consents, signed by the owners, and is securing the necessary signatures of their wives.

If this amendment meets with your approval and is satisfactory to the Operator, please have it executed by the latter. However, only deliver the amendment and distribute it in the usual manner after the Consents have been duly signed and attached thereto.

We are also enclosing executed copies of the Assignment of the Contract, the Assignee's Acceptance thereof and the Government's Consent thereto. One copy is for your finance office, one copy each

for the Operator and Assignee, and a photostatic copy for your files. The photostatic copy of these documents was necessitated because the Government only had the original and three copies thereof.

Sincerely yours,

Ernest Wm. Ellis (JHE)
