PAYMENT CONDITIONS

Buyer's assays govern if Seller fails to submit assays prior to acceptance of payment. All rates paid are based on U. S. Atomic Energy Commission Published Schedules, unless otherwise provided in contract applicable to ore delivery described herein.

By endorsement of the check issued in settlement and payment for the ore herein described, the Seller or his Agent warrants: (1) that Seller is the lawful owner, or authorized representative of the lawful owner, of the ore described in this settlement sheet and that Seller has legal right to deliver such ore to the Commission; and (2) that Seller holds or has made proper application for the AEC source material license described above; and by the endorsement of such check the Seller or his Agent further agrees that: (1) all right, title, and interest in and to such ore is transferred by the Seller to the Commission effective as of the date of delivery of such ore; and (2) the Seller accepts the amount shown above as "total gross price" in full settlement for all sums due on account of the ore delivered and described herein.
