Memorandum

To: Chief, Operations, Control and Statistics Division

From: Nonmetallic Minerals Division

Subject: Docket No. DMEA-2662 - Mica-Beryl-Quartz
Frieda L. Johnson and Ralph Chaplin
Double-Header Ranch
Jefferson County, Colorado

Pursuant to request by this office, the Executive Officer, DMEA Field Team, Region IV, wrote a letter to the subject applicants on September 1, 1953, informing them that if the needed data to process their application were not received in thirty days, it would be presumed they were no longer interested in this exploration project and the docket would be closed.

Up to this date the applicants have not complied with the request. Therefore, the Nonmetallic Minerals Division considers the subject application for exploration assistance withdrawn and the docket closed.

Re: Docket No. DMEA 2662

Dear Sir and Madam:

We have had no reply to our letter of August 26, 1952 in which we requested answers to the questions on the application forms in order to complete your application.

We presume that you are no longer interested in this exploration project, and we will close this docket in thirty days if we do not receive your completed application.

Very truly yours,

W. H. King

Dear Mr. King:

Reference is made to your memorandum dated March 3, 1953, stating that you had placed subject application in your inactive file pending completion of Form MF-103 by the applicants.

Since the applicants have had ample time to complete the Form MF-103, we may assume that they no longer desire to proceed with the application. It is our suggestion, therefore, that you notify the applicants giving them 30 days to complete the application otherwise the docket will be closed.

Sincerely yours,
