Re: Royalty payments, DMEA Docket ~~3137~~ (Tungsten)
Contract Idm-E657, Johnson Brothers and Prime,
Hoosier mine, Boulder County, Colorado

Dear Mr. Johnson:

We have received settlement sheets and royalty payment in the amount of $6.78 for your Lot No. 1 (dump material) from Wah Chang Corporation.

Royalty on this shipment was calculated and paid at 5.0 percent whereas the correct royalty rate should have been 1.5 percent and correct royalty payment $2.03.

We have had a check drawn to your account for the amount of overpayment ($4.75) and it was transmitted to you on September 9, 1955.

We have notified Wah Chang Corporation of the correct method for calculating DMEA royalty payment s and requested them to make future remittances in conformance with Section 10 of the enclosed copy of DMEA Order 1, Amended.

Very truly yours,

Re: Royalty Payments, CMEA Docket ~~3175~~ (Tungsten) Contract Idm-E657, Johnson Brothers and Prime, Hoosier mine, Boulder County, Colorado

Dear Mr. Ridland:

Settlement sheets and royalty payment in the amount of $19.66 for production of tungsten by Johnson Brothers and Prime from the Hoosier mine have been received.

We have determined that the "Processing Charge of $60.00 paid to A. B. Moore" is an allowable deduction to be considered in the calculation of DMEA royalty. Correct royalty should therefore be $16.66 resulting in an overpayment of $3.00. You may deduct this amount of $3.00 from your next royalty payment for Johnson Brothers and Prime.

Very truly yours,

W. M. TRAVER
