Mr. Martin:

This royalty sheet names Harold Williams as shipper under Idm-E661 (DMEA 3179), from the Ex Adams lode, San Juan County, Colo. However, our Idm-E661 contract is with Thomas J. and Dorothy Mahoney. Do you think Harold Williams has taken over the Mahoney contract and we don't know about it yet????

We do have a contract with Harold and Tommy Williams (Idm-E748, DMEA 3483) on the Gale Mine, Boulder County, Colo.

Contract states that Operator shall make provision in transfer of property whereby all production will be subject to royalty in accordance with terms of the contract. Apparently that has been done in this instance. Contract does not require submission of evidence thereof.
