Re: OME-6288 (Silver)
Bulldog Mountain Inc.
Bulldog Mountain Fault
Mineral County, Colorado
Contract 2166

Dear Mr. Welch:

Enclosed herewith is a copy of a settlement sheet I received on July 14, 1969 concerning a shipment of lead concentrates from Homestake Mining Company, Creede, Colorado.

The smelter lot number is somewhat fuzzy on my copy and looked like smelter lot No. 1395, it could have been 1375 however, as we talked about it on the telephone the other day.

The amount due on royalty to the U. S. Government is shown as $1,078.56, however I have no record of having sent a check to Washington in that amount, nor does Washington have any record of having received the check. Each time I send an abstract of remittance to Washington they return a copy of the remittance designating that they have received the check. I will greatly appreciate your looking into the matter with the El Paso Smelting Works and informing me at your earliest convenience.

Sincerely yours,

J. William Hasler

Dear Sir:

This morning I am in receipt of a letter dated October 3rd and copy of a settlement sheet on Homestake-Bulldog Mountain concentrate Lot No. 1395.

From the letter copy you will see Mr. Hasler is concerned about not having personal knowledge of ever receiving the 5% royalty due the Office of Minerals Exploration on that particular lot. Mr. Hasler and I have had telephone communication on this subject, and he would like you to determine if the check has returned, when it was cancelled, etc., so he may straighten his records out for crediting the $1,078.56 on that lot.

I will appreciate your writing direct to Mr. Hasler with a copy to me.

Yours very truly,

Dear Sir:

In connection with Mr. R. F. Welch's letter of October 6 regarding royalty on Smelter Lot 1395, I am enclosing photocopy of our check No. 50795 in the amount of $1,833.29. This scheck covers royalty payment for Lot 1270 as well as 1395, and probably this is what has caused the confusion.

For your ready reference I am enclosing photocopies of the settlement sheets for the above two lots. If this does not resolve the matter, please advise.

Yours very truly,

A. LIEBERT
