Memorandum

To: Chairman, Operating Committee, DMEA - Washington

From: Field Team, DMEA - Region VII

Subject: DMEA-3100, (mica), Davis & Berkmeyer. Miller Property, Cleveland County, N. C.

This morning we received a letter from Earl Davis requesting withdrawal of the subject application. He says Mr. Berkmeyer has quit mining and gone to Florida, and he (Davis) is not interested in continuing the job by himself.

An earlier letter to Mr. Berkmeyer was returned unclaimed, after being forwarded to Orlando, Florida.

Therefore, we suggest withdrawal of the subject application.

Dear Mr Tegue;

I was called to Orlandom for a couply months stay.
so May I sugesst that we just drop the Miller Proposition
for the time being,

Mr Miller has been very slow in signing the Lein papers
he says he will signe them , but they are never ready
when I go after them.

Thanking you very much for what you have done for me,

Yours very truly,

T J Berkmeyer

INSTRUCTIONS

1. *Name of applicant.*—(*a*) State here your full legal name, in the form in which you will wish to contract, and your mailing address: Earl Davis & T.J.Berkmeyer
Route # 2 Lawndale North Carolina,

(*b*) If other than an individual, add to your name above whether a corporation, partnership, etc., and the name of the State in which incorporated or otherwise organized.

(*c*) If a corporation, add to above statement, titles, names and addresses of officers.

(*d*) If a partnership, add to the above statement the names and addresses of all partners. Earl Davis & T.J.Berkmeyer

2. *General.*—Read DMEA Order 1, "Government Aid in Defense Exploration Projects," before completing this application. Submit this application and all accompanying papers in quadruplicate (four copies), with your name and address on each sheet of the application and on all accompanying papers. Where sufficient space is not provided on the form for all required information, state it on an accompanying paper, with a reference in each case to the instruction to which it refers by number. Comply with all applicable instructions; or, if not applicable, so state. File the application with Defense Minerals Exploration Administration, Department of the Interior, Washington 25, D. C., or with the nearest field executive officer thereof.

3. *Applicant's property rights.*—(*a*) State the legal description of the land upon which you wish to explore, including all land which you possess or control that may be benefited by the exploration, and excluding any land or interest in land which is not to be included in the exploration project contract Description of property on seperate sheet

(*b*) State any mine name by which the property is known. serval small mines - no name

(*c*) State your interest in the land, whether owner, lessee, purchaser under contract, or otherwise Lessee

(*d*) If you are not the owner, submit with this application a copy of the lease, contract, or other document under which you control the property. Copy of lease enclosed

(*e*) If you own the land, describe any liens or encumbrances on it

(*f*) If the land consists of unpatented claims, add to the description above, the book and page numbers for each recorded location notice.

4. *Physical description.*—(*a*) Describe in detail any mining or exploration operations which have been or now are being conducted upon the land, including existing mine workings and production facilities. State your interest, if any, in such operations. Also describe accessibility of mine workings for examination purposes. none

(*b*) State past and current production, and ore reserves, if any, giving quantities and grades.

(*c*) Describe the geologic features of the property, including mineralization, type of deposit (vein, bedded, etc.), and your reasons for wishing to explore. Illustrate with maps or sketches. Send with your application (but not necessarily as a part of it) any geologic or engineering report, assay maps, or other technologic information you may have, indicating on each whether you require its return to you.

(*d*) State the facts with respect to the accessibility of the project: Access roads, distances to shipping, supply and residence points. ½ mile from hard surface road

(*e*) State the availability of manpower, materials, supplies, equipment, water, and power.

16—66551-1

Plenty of manpower avaleble, common labor Approx .85 ; Per hour

5. *The exploration project*—(*a*) State the mineral or minerals for which [illegible] wish to explore Mica

(*b*) Describe fully the proposed work, including a map or sketch of the property showing a plan (and cross sections if needed) of any present mine workings, and the location of the proposed exploration work as related to such features as contacts, veins, ore-bearing beds, etc. Seperate sheet enclosed

(*c*) The work will start within 60 days and be completed within ? months from the date of an exploration project contract.

(*d*) State the operating experience and background of the applicant with relation to the ability to carry out such exploration project, and also that of the person or persons who will supervise the operations. 20 years experiance

6. *Estimate of costs.*—Furnish a detailed estimate of the costs of the proposed work (you will have to use a separate sheet), under the following headings. Add the totals under all headings to give the estimated total cost of the project: %3.000.00

(*a*) *Independent contracts.*—(Note.—If the applicant does not intend to let any of the work to contractors, write "none" after this item. To the extent that the work is to be contracted, do not repeat the cost of the contract-work in subsequent items.) State the cost of any proposed independent contracts for the performance of all or any part of the work, expressed in terms of units of work (such as per foot of drilling, per foot of drifting, per hour of bulldozer operations, per cubic yard of material moved, etc.). Bulldozer $10.00 Per Hr. 14¢ Per Cubic Yd Removing Dirt

(*b*) *Labor, supervision, consultants.*—Include an itemized schedule of numbers, classes and rates of wages, salaries or fees for necessary labor, supervision and engineering and geological consultants. Only common labor needed

(*c*) *Operating materials and supplies.*—Furnish an itemized list, including items of equipment costing less than $50 each, and power, water and fuel.

(*d*) *Operating equipment.*—Furnish an itemized list of any operating equipment to be rented, purchased, or which is owned and will be furnished by the Operator, with the estimated rental, purchase price, or suggested use-allowance based on present value, as the case may be. one double Drumm Hoist to be Rented, $ 100.00 Per month

(*e*) *Rehabilitation and repairs.*—Furnish a detailed list showing the cost of any necessary initial rehabilitation or repairs of existing buildings, installations, fixtures, and movable operating equipment, now owned by the Operator and which will be devoted to the exploration project. all equipment now owned in good repair ,

(*f*) *New buildings, improvements, installations.*—Furnish a detailed list showing the cost of any necessary buildings, fixed improvements, or installations to be purchased, installed or constructed for the benefit of the exploration project.

(*g*) *Miscellaneous.*—Furnish a detailed list showing the cost of repairs to and maintenance of operating equipment (not including initial rehabilitation or repairs of the Operator's equipment), analytical work, accounting, workmen's compensation and employers' liability insurance, and payroll taxes. Insurance (if can be gotton) to be paid bythis deal

(*h*) *Contingencies.*—Give an estimate of any necessary allowances for contingencies not included in the costs stated above.

NOTE.—No items of general overhead, corporate management, interest, taxes (other than payroll and sales taxes), or any other indirect costs, or work performed or costs incurred before the date of the contract, should be included in the estimate of costs. No interest or pay roll cost to be added,

7. (*a*) Are you prepared to furnish your share of the cost of the proposed project in accordance with the regulations on Government participation (Sec. 7, DMEA No. 1)?

(*b*) How do you propose to furnish your share of the costs?

[X] Money [ ] Use of equipment owned by you [ ] Other

Explain in detail on acompanying paper.

CERTIFICATION

The undersigned, whether as an individual, corporate officer, partner, or otherwise, both in his own behalf and acting for the applicant, certifies that the information set forth in this form and accompanying papers is correct and complete, to the best of his knowledge and belief.

Earl Davis T. J. Berkmeyer
(Applicant)

Earl Davis and T. J. Berkmeyer
By

Title 18, U. S. Code (Crimes), Section 1001, makes it a criminal offense to make a willfully false statement or representation to any department or agency of the United States as to any matter within its jurisdiction.

U. S. GOVERNMENT PRINTING OFFICE 16—66551-1

North Carolina,

Cleveland County.

THIS CONTRACT, Made and entered into this sixth day of June 1953, by and between Carl Miller and wife, Martha Miller, of Cleveland County North Carolina, hereinafter called Lessor, and T.J.Berkmeyer and Earl Davis, (partners) whos post office is Route # 2 Lawndale, North Carolina. hereinafter called Lessee;

WITNESSETH;

That subject to the terms and conditions hereinafter set forth, said Lessor has let and leased unto said Lessee the exclusive right and privilege to mine, dig, mill, process, and remove all minerals, ores, clays, earths, and stones now in, under or upon a certain tract or parcel of land, situated, lying and being in Township number Ten, Cleveland County, North Carolina, and being more particularly described as follows.

Beginning at a stake, P.M.Mauhey and John Bracketts corner, and runs thence with Mauney's line N. 89½ W. 79 3/5poles to a stone, Willis and Mauney's corner; thence S. 11¼ W.62 1/3 poles With Willis line to a stone; ~~xxxxxxx~~ thence N.72 W. 28 4/5 poles to a stone; Rosecoe Peeler's and Willis corner; thence S.5 W. 81 poles~~xx~~ to a pine; stump at Peeler's corner; thence S. 85 W.7½ poles to a pine; thence S. 41 W 8 poles to a stake; thence S.30 W 33 poles to a stake; thence S.88½ E. 81 poles to a stone; thence S. 1 W.29 poles to a stake in the branch; thence up the branch as it meanders 60 poles to a stake in the branch thenceS.88½ E.20 poles to a stake, Normans corner; thence N.3 3/4 E. 49 poles to a stone; thence N.4 E.13 2/8 poles to a stake, Brackett's corner, thence N.72 W.48 7/8 poles to a stake; thence N.31¼ W. 14 poles to a stake; thence N.23 E.94½ poles to a Post Oak tree, the place of begenning, containing 118, acres more or less, the same being carved out of what is known locally as the , D Max Cline tract, Except 5 6/10 Acres across the paved road, - sold to Glen Peeler,.

The terms and conditions of this Lease are as follows;

1. Unless sooner terminated, as herein provided, this Lease shall exist and continue untill the Sixth day of June 1955. and as long as there are minerals or Mica found in paying quantitys;

2. The rental which Lessee shall pay to Lessor shall be based upon the minerals actually mined. Lessee is to pay to Lessor a one-eight royalty on all Mica and minerals mined on said leased premises, which royalty is to be paid during the production period on the first and fifteenth day of each month. The Lessee, on each royalty payment date, as herein after provided for, shall exhibit to Lessor a duplicate copy ofall sales made during said period, ~~Which duplicate sales slip shall be accepted by Lessor as being correct.~~ The royalty check be sent with the

3. So long as this Lease remains in force, Lessee shall in connection herewith have and enjoy the following rights and privileges;

A. The right to the use of the surface of said premises to the full extend that such is reasonably convenianter necessary in mining,

B. The right to construct and place upon said lands, buildings and machinery, and to remove same.

C. The Lessee shall have the right, if necessary in its operations, to cut any timber which may be standing upon the premises, and which timber it is necessary to remove in the operations of said premises by Lessee.

D. The right to dam, divert and use the water in any stream upon the premises.

E. The right to construct and maintain roads at such locations as ~~lessee~~ may ~~deem~~ necessary or convenient.

F. The Lessor shall have the right to cultivate any of the lands herein leased which are not being used for mining purposeses by Lessee. Unless and in the event Lessor shall have any growing crop, upon any of the lands not actually being mined by Lessee, and it become necessary for the Lessee, in the furtherance of its operations, to destroy said crops, the Lessee agrees to pay , and the Lessor agrees to accept in payment therefor the actual amount of damages sustained by reason of the destruction of said crops.

G. Lessee is, at termination of this Lease, either by cancelation or by extiration, to fill on said premises any holes which it has dug during its mining operations.

H. Lessee agrees to start actual mining operations within Ninty days from the above dateand if at any time during the period of this Lease, Lessee should fail or neglect for a period of sixty days to actually pursue the taking from the leased premises any minerals or mines then this contract of Lease shall become null and void. Strikes and acts of God which prevents the Lessee from operating said mines being hereby excluded and excepted from this provision.

I. Lessor is to pay all taxes against the leased property as the same may hereafter mature during the period of this Lease. the Lessee is to list and to pay taxes on all personal property which it may have hereunto on said premises during the period of this Lease.

IN TESTIMONY WHEREOF; said parties of the first part have hereunto set their hands and seal, This ---_____ Day of June 1953.
