<sup>1</sup>Unless otherwise indicated, the North American Industry Classification System (NAICS; U.S. Census Bureau, 2014a) was used to group businesses into economic sectors.

<sup>2</sup>The Standard Industrial Classification (U.S. Census Bureau, 2014b) was used instead of NAICS to define this economic sector.

**Table 7-2.** Summary of counts, by economic sector, of New Jersey and New York businesses inundated by flood waters resulting from Hurricane Sandy, October 2012: by economic sector.

[Values represent the number of businesses with an address match code of “0.” Map location number refers to figures 2 and 3. A sampling location is defined by a buffer area with a radius of 2 kilometers around each site. Missing sites did not have flooding recorded for search criteria]

<sup>1</sup>Unless otherwise indicated, the North American Industry Classification System (NAICS; U.S. Census Bureau, 2014a) was used to group businesses into economic sectors.

<sup>2</sup>The Standard Industrial Classification (U.S. Census Bureau, 2014b) was used instead of NAICS to define this economic sector.
