Subject: DMA-739 - Application for a loan of $600,000 - Vulcan Group of Iron Mines, Socorro County, New Mexico.

My dear Mr. Xynos:

On May 9, 1951 we wrote you regarding the subject application, requesting that you submit evidence of a demand for your iron ore by a substantial user. You were informed at that time that no further action could be taken upon your application until the information requested was received.

In the event no reply is received from you regarding this matter within 60 days, we will assume that you are not now interested in such a loan, and we will record your application as withdrawn.

This action will not, however, preclude you from submitting at a later date an application for a loan or any other type of assistance that may be available under the provisions of the Defense Production Act.

Sincerely yours,

JZS Well
