Memorandum

To: Reports and Records, DMA

From: Chief, Industrial Minerals Branch, DMA

Subject: DMA-909 - Colorado Non-Metallics Corporation
Florence, Colorado
Commodity: Bentonite
Loan application in amount of $25,000

The attached application is being returned and withdrawn, in accordance with a letter to the applicant, attached hereto.

The grant of a loan is not considered necessary to stimulate production of bentonite.

The required expansion is being obtained by normal growth. (See memorandum of September 7, 1951, by the Chief Economist, DMA, on bentonite; tax amortization percentage.)

Applicant has not replied to our letter of April 30, 1951, asking for further information nor our letter of August 24, 1951, stating that the application would be withdrawn unless replied to within 30 days.

Dear Mr. Roscoe Pile:

Please refer to our letter dated April 30, 1951 requesting additional information to enable us to process your application. Your application shall be considered as withdrawn unless we receive your reply within thirty days. It would then be necessary for you to file a new application, should you desire Governmental assistance in the future.

Sincerely yours,

SIGNED
