In reply please refer to
TM-12360 (T-1364)
Necessity Certificate

Gentlemen:

We have received your application for a necessity certificate and regret that it must be denied. Applications for necessity certificates on facilities required prior to September 23, 1951 should have been filed on or before March 23, 1951.

However, if you wish to appeal you should write the Defense Production Administration to this effect and be sure to put your TM-No.12360 on your letter for easy identification.

Very truly yours,

Sam Lyon
Director, Supply Division

RECEIVED
OFFICE
DIRECTOR IV
AUG 1 1951
[illegible]

Memorandum

To: C. G. Altendorf, Director, Production Expansion Division

Through: Director, Supply Division

From: George [illegible], Chief, Tungsten Branch

Subject: DPA-1264, TA-12 60, Necessity Certificate
[illegible] and [illegible] Milling Company,
c/o [illegible], Continental Oil Bldg.
Salt Lake City, Utah

We are enclosing the following pertaining to the subject docket:

Some [illegible] referred only from [illegible]
Very letter [illegible] to [illegible] Milling Co. 7/24/51

The following answers are suggested for questions 16, 17 and 18:

16- All facilities are for processing tungsten and for the defense effort.

17- (a) Mill has no value at present location except for processing tungsten ore
(b) Not applicable
(c) Not applicable
(d) $1,165.65
(e) Very little
(f) Do not know
(g) Only possible use other than processing scheelite is as custom mill.

J.F.S.

13. It is recommended that the application be denied due to the fact that the applicant did not file before March 23, 1951, which is necessary on facilities acquired before September 23, 1950. However, we are writing the applicant of our decision and stating that if he wishes to appeal, he should file a letter to this effect with the Defense Production Administration.
