Dear Mr. Connors:

Re: OME-6210 (Uranium)
Vitro Minerals Corporation
(Uranium Point and Zone Claims)
Fremont County, Wyoming

I have just been advised that the prior owners of Uranium Point claims have indicated their unwillingness to sign the requisite subordination agreement for the above OME loan application.

In view of this development, I would like to request that our application for assistance in exploring these claims under OME-6210 be cancelled without prejudice as to subsequent reapplication, should these conditions change.

Very truly yours,

VITRO MINERALS CORPORATION
