Memorandum

To: Reports and Records Unit
Administrative Management Division

From: Chief, Lead-Zinc Branch

Subject: Closing out docket

The subject docket was a preliminary inquiry about procedures for a direct loan. In December, 1950, NSRB-146's were sent to applicant with the request that the forms be completed for submittal. The applicant has failed to return the completed forms, or to reply in any way. It can be presumed that he is no longer interested in obtaining a loan. We recommend that the docket be closed.

Returned herewith are:

2 letters from the applicant, one dated November 20, 1950, and constituting the docket, the other dated December 12, 1950; also carbon copies of three letters sent to the applicant.

L. P. Billings, Chief
Lead-Zinc Branch
