Dear Mr. Halff:

Your letter of November 14, 1962, contained the statement that you were still interested (in the subject application) and would make every effort to let us hear from you as soon as possible. Nearly two months have passed without further word from you.

We want to do everything possible to help you, but we cannot keep this old application, dated May 30, 1962, pending indefinitely. If we do not receive your proposal by February 15, 1963, we must assume that you are no longer interested in proceeding with your application, and we will consider it as having been withdrawn.

Sincerely yours,

George Fumich, Jr.
