Re: Docket No. DMA 1745X - Tungsten
Delta, Utah

Dear Mr. McClellan:

A review of your application of June 23, 1951, for a $10,000.00 exploration contract reveals that three requests for information, dated July 2, 1951, November 5, 1951, and January 25, 1952, have been sent you for additional information necessary to process your application. We have not received any answer from you and we assume that you no longer desire to proceed with the application.

We wish to cooperate with you in the matter of allowing ample time, but if the needed data have not been received by May 1, 1952, we will then remove your application from the active file and consider the matter closed.

Sincerely yours,
