Heinecke Brothers
Creole Mine
Beaver County, Utah

Dear Mr. McMurray:

We have your letter of October 4 concerning changes in the Heinecke Brothers exploration project. It would be simpler for the parties now concerned to file a new application, giving, as far as possible, all information and data requested on the application form (six copies enclosed), including new bank letters, financial statements, etc.

Meanwhile, Heinecke Brothers should write us withdrawing their application and stating that any information which they have supplied may be used in connection with the new application.

Sincerely yours,

(signed) FRANK E. JOHNSON

Acting Director
