Attached is a copy of a letter to Senator Hunt regarding Docket No. DMEA 3345 Beryl-tantalum.

SR Wilson has scheduled an examination for June 22. I will be very much surprised if the engineers find anything worth consideration. Weimler examined the area during World War II & found nothing worth further consideration. I saw a few pieces of beryl crystals there later but I believe Weimler got all of the beryl in his samples.

Dear Mr. Mittendorf:

Mr. W. A. Jarvis of Riverton, Wyoming has written us regarding a mining exploration loan which has been filed with you in the name of the Industrial Metals and Chemical Corporation.

We understand that Mr. Jarvis feels that he has located a deposit of beryl and is most anxious to develop it.

Certainly would appreciate anything that you can do to favorably consider Mr. Jarvis' application.

With every good wish, believe me, I am
