Drake Mission Trail and Wood Canyon

Section number / Section name / Fossil category / Stratigraphic unit / Collection number / Taxon

Section number	1261	1262	1200	1206	1209	1210	North Stewart Canyon	1306	1310	1303
Section name	Blackfoot Narrows	Woodall Creek	Conda Mine	Trail Canyon	Johnson Creek	Mabie Canyon		South Stewart Canyon	Timber Creek	Pole Canyon

Porifera
- Sponge spicules

Coelenterata
- Corals
- Lowland?

Bryozoa
- Small to medium range growth forms
- Frondose growth forms

Echinodermata
- Crinoid stems

Brachiopoda
- Inarticulata
  - Lingula cf. L. carbonaria Shumard
  - Lingula sp. indet.
  - Orbiculoidea cf. O. (O.) missouriensis (Shumard)
  - Orbiculoidea sp. indet.
- Articulata
  - Leiorhynchus wheeleri (Girty)
  - Leiorhynchus cf. L. wheeleri (Girty)
  - Liorhynchus sp. indet.
  - Leiorhynchus? sp. indet.
  - Composita cf. C. subtilita (Hall)
  - Composita cf. C. ovata (Girty)
  - Composita sp. indet.
  - Neospirifer pandicanaliculatus (Girty)
  - Neospirifer sp. indet.
  - Parallelodontus? sp.
  - Crurithyris arcuatus (Girty)
  - Crurithyris cf. C. arcuatus (Girty)
  - Crurithyris sp. indet.
  - Crurithyris? sp. indet.
  - Schizodus sp. indet.
  - Echinoconchus sp. indet.
  - Linoproductus sp. indet.
  - Kozlowskiella sp. indet.
  - Kozlowskiella cf. K. longus (Meek)
  - Juresania sp. indet.
  - Beltinoproductus cf. B. arrosodensis (Meek)
  - Beltinoproductus? sp. indet.
  - Antiquatonia cf. A. acutata Cooper
  - Dictyoclostus? indet.
  - Linoproductus cf. L. prattenianus (Norwood and Pratten)
  - Anidanthus cochensis (Girty)
  - Anidanthus cf. A. cochensis (Girty)
  - Anidanthus sp. indet.
  - Cancrinella phosphatica (Girty)
  - Cancrinella cf. C. phosphatica (Girty)
  - Cancrinella sp.
  - Cancrinella sp. indet.
  - Cancrinella? sp. indet.
  - Marginatella multistriata (Meek)
  - ~~Marginatella cf. M. multistriata (Meek)~~
  - Linoproductid indet.
  - Productid indet.
  - Derbyia sp. indet.
  - Chonetes oklahomensis Girty
  - Chonetes cf. C. oklahomensis Girty
  - Chonetes sp.
  - Chonetes sp. indet.
  - Rhynchopora cf. R. taylori Girty
  - Rhynchopora sp. indet.
  - Rhynchonella? sp. indet.
  - Spiriferina sp. indet.
  - Spiriferoid brachiopod indet.
  - Hustedia sp. indet.
  - Brachiopod indet.

Mollusca
- Pelecypoda
  - 1 Palaeoneilo oklahomensis (Girty)
  - Nuculana spp.
  - 4 Nucula spp. indet.
  - 5 Nucinella sp.
  - 7 Nucinella? sp. indet.
  - 8 Nuculid pelecypod indet.
  - 9 Palaeoneilo elongata (White)
  - 10 Palaeoneilo cf. P. obesa (White)
  - 11 Palaeoneilo sp. indet.
  - 12 Nuculoid pelecypod indet.
  - 15 Anodontopsis cf. A. Kansasensis Newell
  - 14 Anodontopsis cf. A. phosphatica Girty
  - 16 Anodontopsis sp. indet.
  - Cyclorismus mundulus 20 Cyclorismus sp. indet. (C. Bryanopsis)
  - 17 Streblochondria nuculoideus (Girty)
  - 18 Streblochondria cf. S. nuculoideus (Girty)
  - 19 Streblochondria sp. indet.
  - 21 Streblochondria? sp. indet.
  - 23 Sphenomalus sp. indet.
  - 22 Pectinoid pelecypod indet.
  - 25 Pteriform pelecypod indet.
  - ~~Prosoleptodontid pelecypod indet.~~
  - ~~Cosmetodus? sp. indet.~~
  - 13 Parallelodon? sp. indet.
  - 27 Sanguinolites? sp. indet.
  - Schizodus texanus Girty
  - 24
  - 28 Edmondia? phosphatica Girty
  - 29 Edmondia? sp. indet.
  - 26 Astartella stevensi polygonadrata Girty
  - 30 Pelecypod indet.
- Scaphopoda
  - Dentalium sp. indet.
  - Scaphopod indet.
- Gastropoda
  - Bellerophontacean indet.
  - Euomphalus cancellatus (Girty)
  - Euomphalus terreni (Girty)
  - Euomphalus? sp. indet.
  - Euomphalus sp. indet.
  - Euomphalus? sp. indet.
  - Euomphalus? sp. indet.
  - Euomphalus?
