Sanitary Quality of Surface Water During Base-Flow Conditions in the Municipality of Caguas, Puerto Rico, 2014–15: A Comparison With Results From a Similar 1997–99 Study

By

Jesús Rodíguez-Martínez and Senén Guzmán-Ríos

2017

Any use of trade, product, or firm names in this publication is for descriptive purposes only and does not imply endorsement by the U.S. Government.

This map was printed on an electronic plotter directly from digital files. Dimensional calibration may vary between electronic plotters and between X and Y directions on the same plotter, and paper may change size due to atmospheric conditions; therefore, scale and proportions may not be true on plots of this map.
