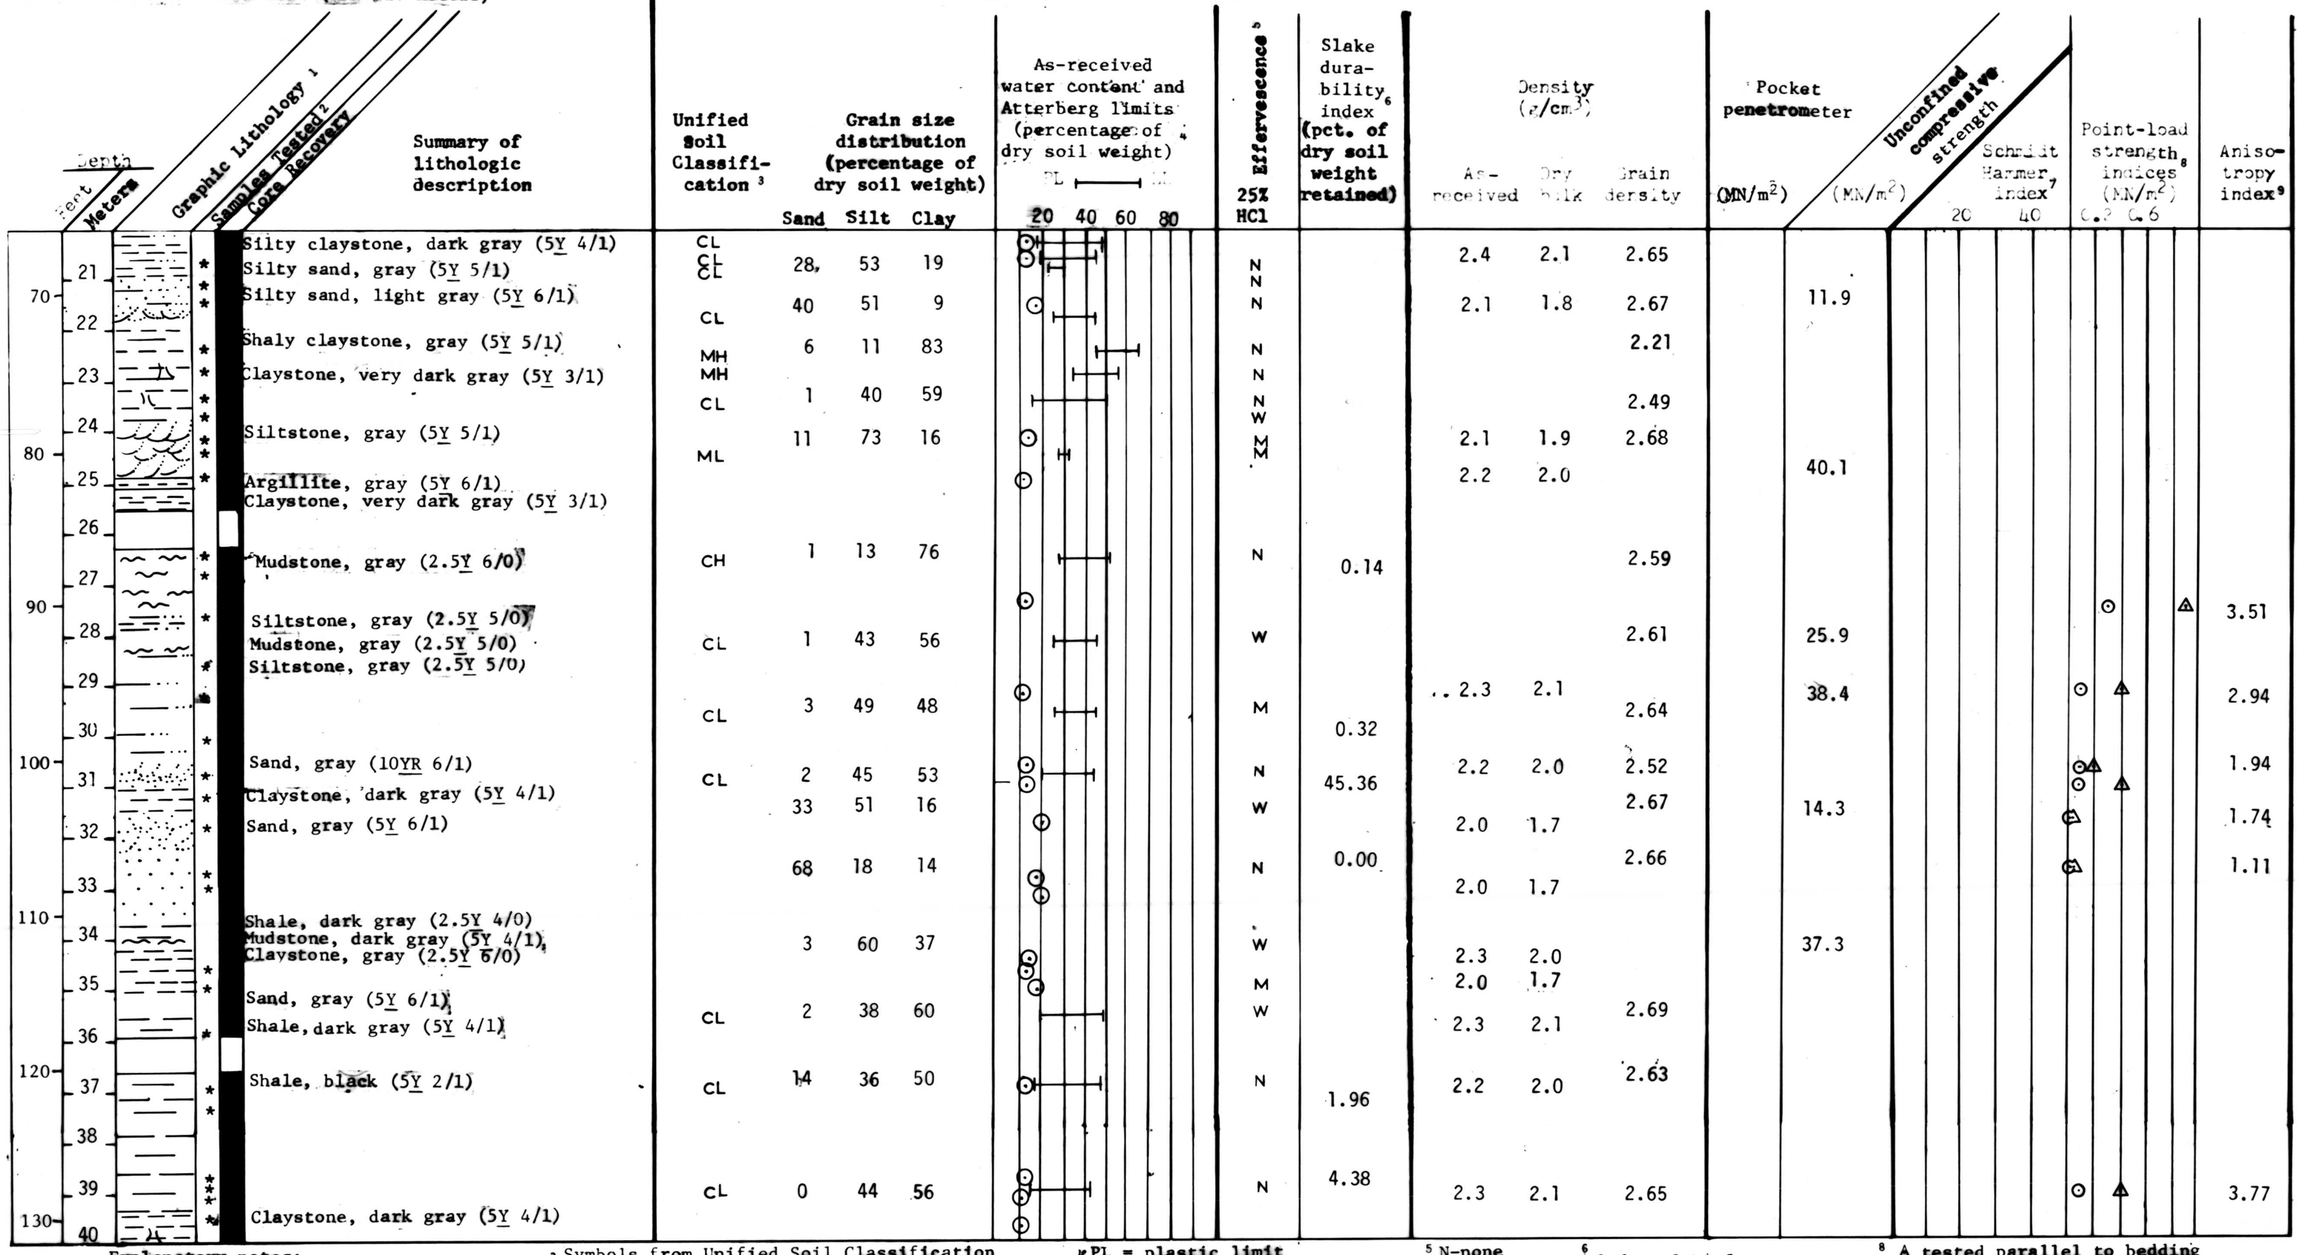
Thunder Basin National Grassland
Drill Hole TB-1
Collar elevation: 4955 Feet (1510.28 Meters)

Summary

Geologic and Geotechnical Log of Drill Hole TB-1



Explanatory notes:

1. See Lithologic Symbols in Appendix
2. Asterisk, *, shows sample depth
3. Symbols from Unified Soil Classification Chart (from U. S. Bureau of Reclamation, 1974)
4. PL = plastic limit
   LL = liquid limit
   Θ = as-received water content
5. N-none
   W-weak
   M-moderate
   S-strong
6. 2nd cycle values
7. R values, dimensionless
8. ▲ tested parallel to bedding
   ⊙ tested perpendicular to bedding
9. ▲/⊙
