TOPOGRAPHIC MAP OF NEW MEXICO

Scale 1:1,000,000

10 0 10 20 30 40 50 60 Miles

Contour interval 1000 feet

1909

Compiled from U. S. Geological Survey atlas sheets and other sources by Gilbert Thompson, Topographer, in 1903 - 1908.

The township lines have been adjusted as closely as possible from the map of New Mexico issued by the General Land Office in 1908.

ENGRAVED AND PRINTED BY THE U.S.GEOLOGICAL SURVEY
