EUROPEAN STAGES	EUROPEAN ZONES (Wright, 1957)	EUROPEAN BELEMNITE ZONES (Jeletzky, 1951)		EUROPEAN ZONES (Muller and Schenck, 1943)		TYPE MAESTRICHTIAN (Van der Heide, 1954)	MADAGASCAR (Besairie and Collignon, 1956)	JAPAN (Matsumoto, 1959)			CALIFORNIA (Matsumoto, 1960, Popenoe, Imlay, and Murphy, 1960)		WESTERN INTERIOR USA (Cobban and Reeside, 1952)		GULF COAST (Zones of Austin chalk from Young, 1959)		Southern Alaska (This report)
MAESTRICHTIAN	*Sphenodiscus* sp.	*Belemnella casimirovensis*		*Discoscaphites constrictus*	*Indoceras baluchistanense*	Maastricht chalk	*Sphenodiscus*	*Pachydiscus subcompressus* and *P. (Neodesmoceras) japonicum*	Hetonian K6	K6 β	*Baculites rex* and *Pachydiscus (Neodesmoceras) catarinae*		Hell Creek formation				No diagnostic megafossils
		Belemnitella junior			*Sphenodiscus siva*								Fox Hills sandstone				
													Discoscaphites nebrascensis				
													Discoscaphites nicollatii				
	Pachydiscus neubergicus	*Belemnella lanceolata sumensis*	Zone of *Pachydiscus egertoni* and *Belemnitella lanceolata* sl.		*Pachydiscus neubergicus*		*Pachydiscus neubergicus*						shale	*Baculites clinolobatus*	Navarro group	Kemp clay	
														Baculites grandis		Corsicana marl	
		Belemnella lanceolata typica			*Menuites menu*		*Pachydiscus colligatus* and *P. (Neodesmoceras) mokotibense*							*Baculites baculus*		Nacatoch sand	
																Neylandville marl	*Pachydiscus kamishakensis*
CAMPANIAN	*Hoplitoplacenticeras vari*	*Belemnitella mucronata minor*	*Bostrychoceras polyplocum*	*Bostrychoceras polyplocum*			*Hoplitoplacenticeras vari*	*Canadoceras kossmati* and *Inceramus schmidti*		K6 α	*Metaplacenticeras pacificum*, *Hoplitoplacenticeras vancouverense* and *Baculites occidentalis*	*Inoceramus schmidti*	Pierre	*Baculites compressus*	Taylor marl		*Inoceramus schmidti*
		Belemnitella mucronata senior	*Hoplitoplacenticeras vari*	*Kossmaticeras theobaldianum*	*Pseudoschloenbachia umbulazi*												
					Kossmaticeras theobaldianum												
	Menabites delawarensis			*Hoplitoplacenticeras coesfeldensis*	*Hoplitoplacenticeras vari*		*Eupachydiscus levyi* and *Delawarella subdelawarensis*				No indicator			*Baculites gregoryensis*	Austin chalk	*Delawarella* cf. *D. delawarense*	
					Eupachydiscus levyi												
	Diplacmoceras bidorsatum			*Submortoniceras delawarense*	*Submortoniceras delawarense*		*Eupachydiscus grossouvrei*				*Submortoniceras chicoense*			*Baculites asperiformis*		*Submortoniceras* n. sp. aff. *S. tenuicostulatum*	
					Discoscaphites binodosus		*Anapachydiscus deccanensis*										
					Hauericeras pseudogardeni		*Maorites aemilii*		Urakawan K5								
				Discoscaphites binodosus	*Diplacmoceras bidorsatum*		*Karapadites karapadensis*	*Anapachydiscus naumanni*		K5 γ			Eagle sandstone	*Scaphites hippocrepis*			No diagnostic megafossils
					Pseudoplacenticeras milleri		*Anapachydiscus umbulazi*									*Bevahites* cf. *B. bevahensis*
