FOSSIL DISTRIBUTION 1/ HAWTHORN FORMATION
WEST-CENTRAL FLORIDA

	Hillsborough County			Polk County															Manatee County
Locality no.	10	39	42	74	75	76	77	78	79	80	81	82	83	G72	G77	G78	G79	G82	97
Gastropoda																			
Clavatula ? sp.										X									
Conus sp.						X													
Conus dodona Gardner							X												
Xancus sp.										X									
Fasciolaria sp. cf. F. kindlei Maury									X		X								
Busycon radix Gardner			X																
Cypraea sp.										X									
Calyptraea sp.									X										
Epitonium n. sp.										X									
Potamides n. sp. aff. P. hillsboroensis Heilprin	X																		
Turritella dalli Gardner		X																	
Turritella sp.							X												
Turritella bicarinata Gardner												X							
Diodora sp.									X										
Pelecypoda																			
Anadara dodona Dall												X							
Anadara hypomella Dall									X										
Anadara sp.														X			X		
Calloarca sp. cf. C. phalacra Dall							X												
Glycymeris sp.							X												
Pteria sp.								X											
Ostrea normalis Dall													X						
Ostrea rugifera Dall				X															
Chlamys sayanus Dall				X	X		X	X	X	X	X	X	X	X					X
Chlamys sp. cf. C. sayanus Dall	X														X	X		X	
Chlamys sp. cf. C. burnsii Dall							X												
Chlamys acanikos Gardner										X									
Chlamys nicholsi Gardner				X						X									
Anomia sp.												X							
Modiolus sp.											X								
Periploma discus Gardner				X															
Cardita cf. C. apotega Gardner		X							X										
Cardita sp.							X												
Venericardia sp. cf. V. himerta Dall										X									
Venericardia sp. cf. V. hadra Dall							X												
Venericardia sp.					X											X			
Phacoides ? sp.																X			
Phacoides sp. cf. P. heilprini Gardner											X								
Diplodonta sp. cf. D. paralta Gardner									X										
Cardium sp. cf. C. plectopleura Gardner																		X	
Cardium sp. cf. C. compressum Dall							X												
Cardium sp.	X	X							X			X							
Dosinia chipolana Dall									X										
Clementia sp.							X												
Macrocallista acuminata Dall											X								
Chione chipolana Dall																	X		
Venus sp. cf. V. langdoni Dall									X										
Venus sp.			X	X		X													
Tellina sp.																		X	
Metis chipolana Dall									X										
Spisula sp.						X													
Solen sp. cf. S. amphistemma Dall							X												
Corbula sp. cf. C. whitfieldi Dall									X										
Corbula sp.		X																	
Crustacea																			
Balanus sp.											X
