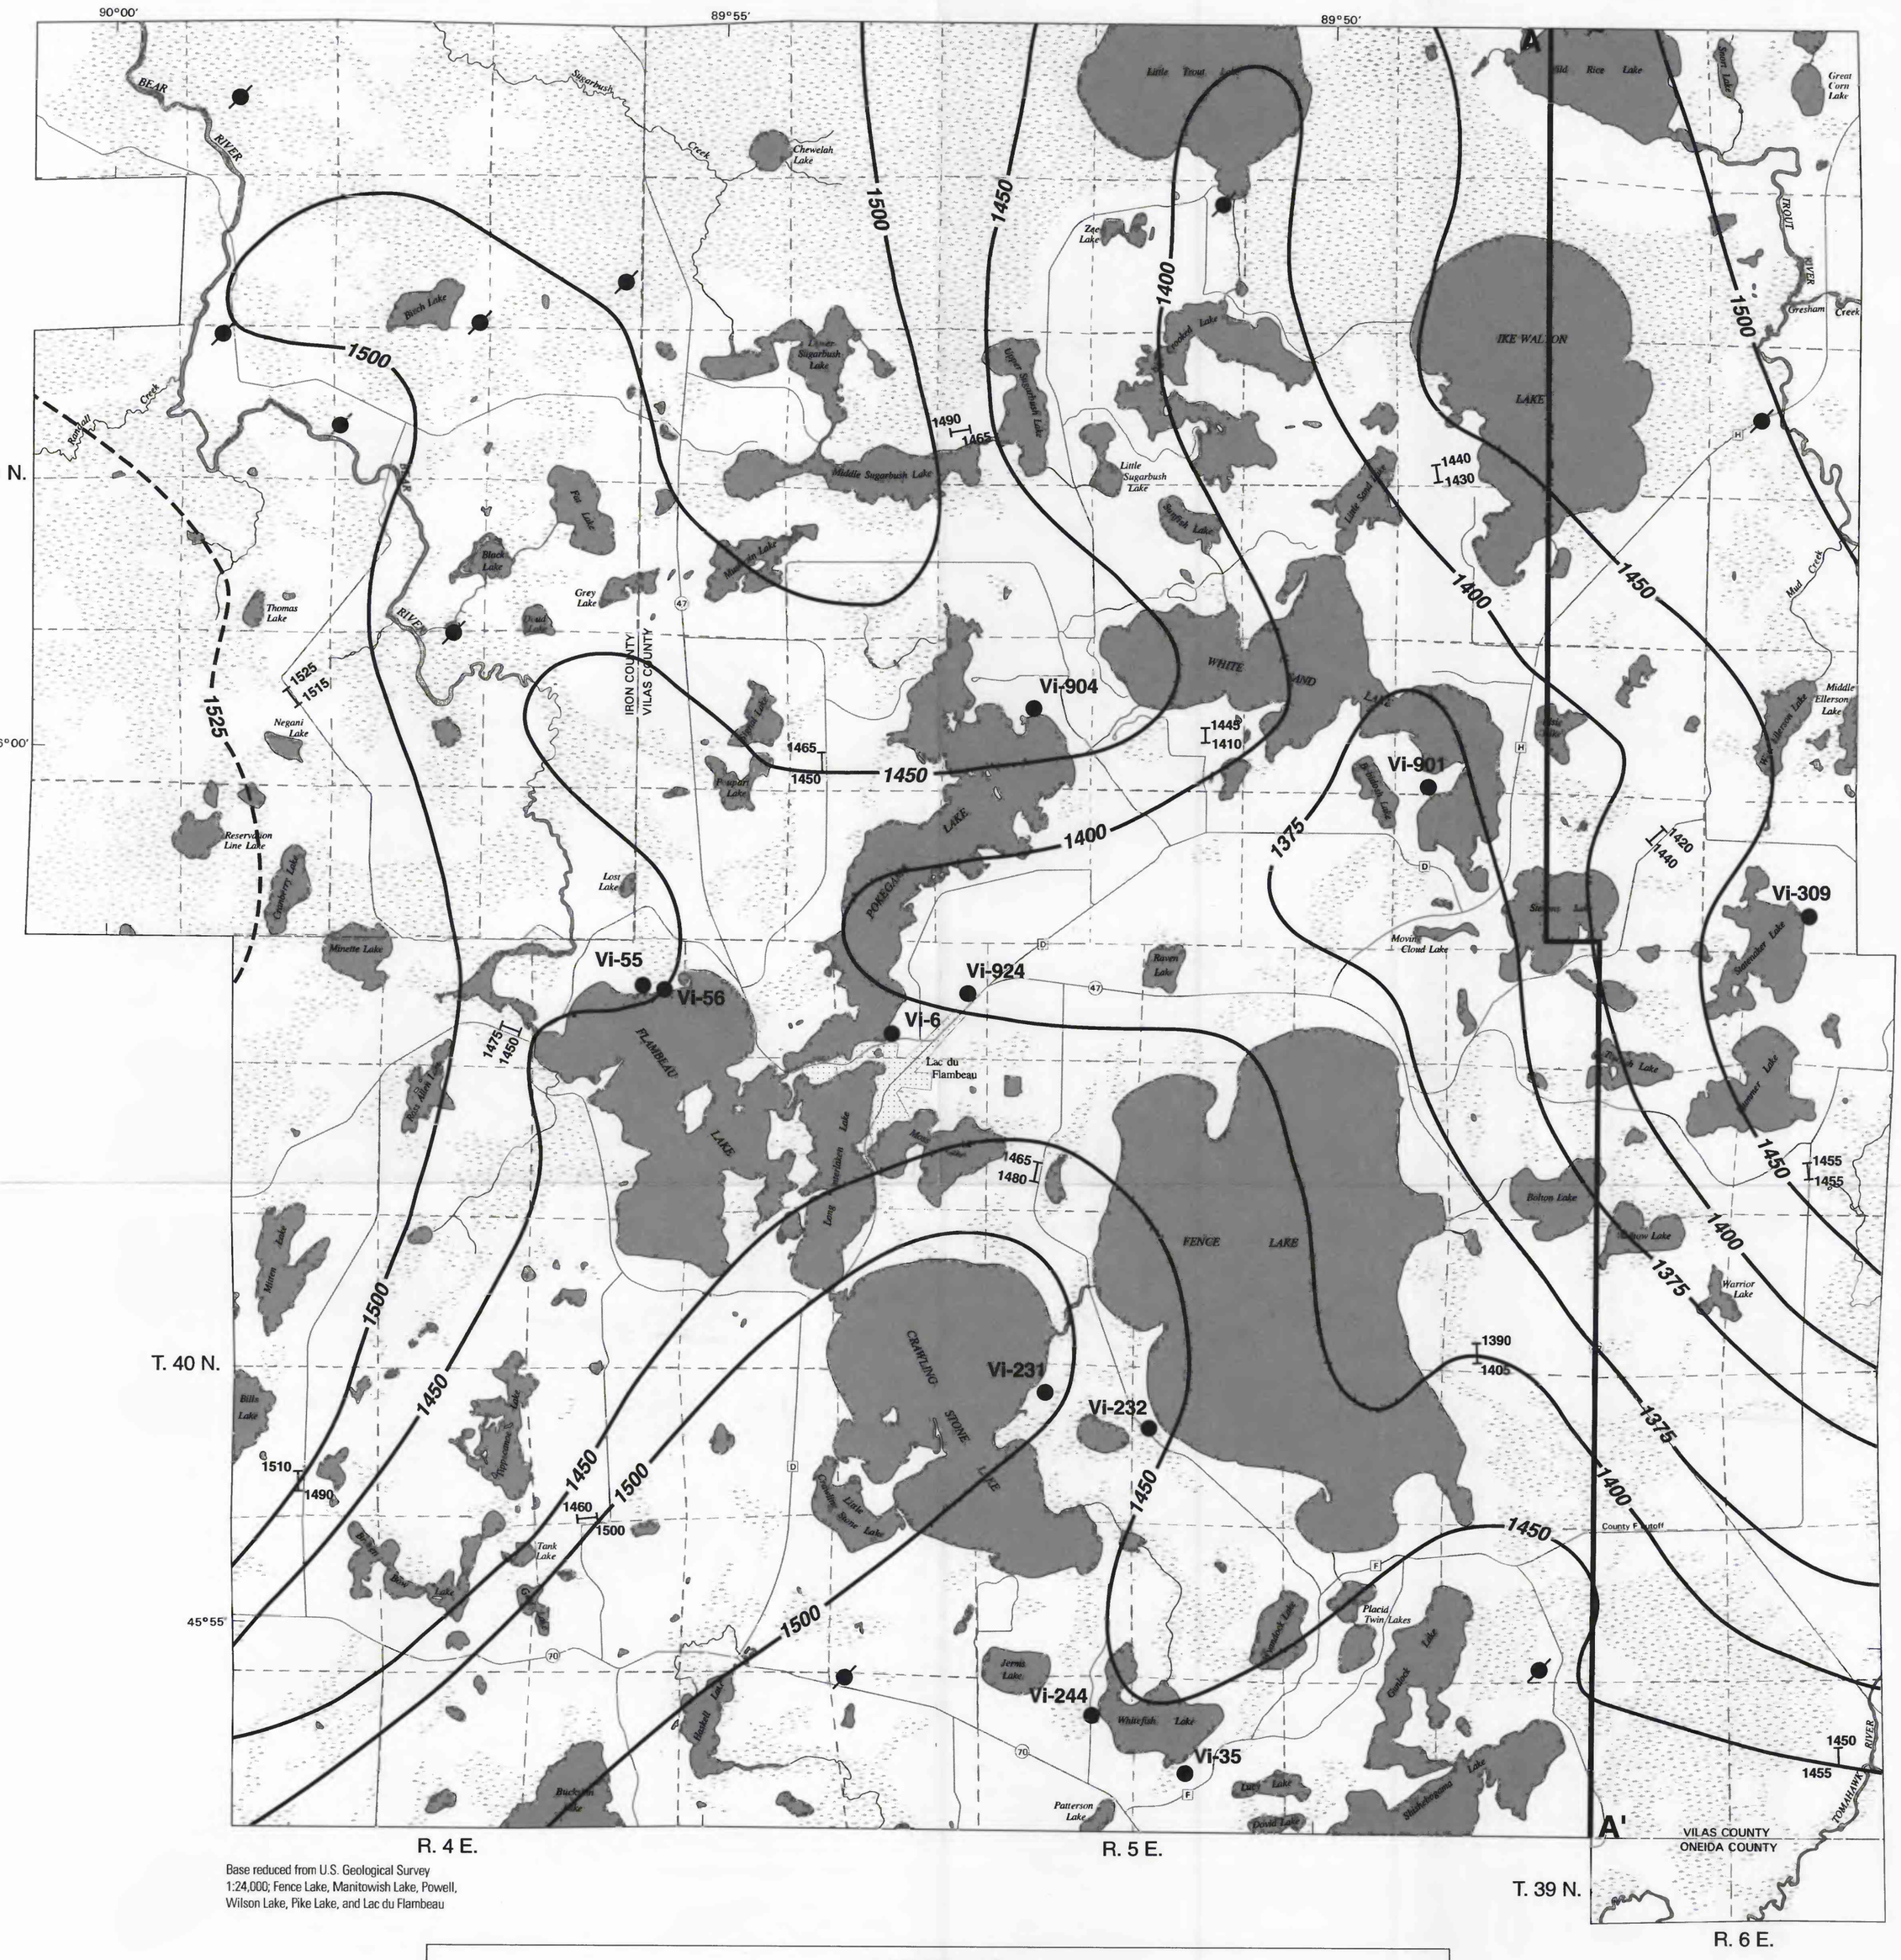
Batten, W.G. and Lidwin, R.A., 1996, Water Resources of the Lac du Flambeau Indian Reservation, Wisconsin, 1981–86



Base reduced from U.S. Geological Survey 1:24,000; Fence Lake, Manitowish Lake, Powell, Wilson Lake, Pike Lake, and Lac du Flambeau

EXPLANATION

1500 — **Structure contour**—Shows altitude of Precambrian bedrock surface. Contour intervals 25 and 50 feet. Dashed where approximated. Datum is sea level.

A—A' **Line of section shown in figure 2**

1450 / 1455 **Location of seismic-refraction line and bedrock altitudes**

Vi-244 ● **Location of well log used in determining bedrock altitude, and identification number**

Exploration test hole (no identification number)

SCALE 1:50,000

0 .5 1 MILE

0 .5 1 KILOMETER

ALTITUDE OF THE PRECAMBRIAN BEDROCK SURFACE UNDERLYING THE LAC DU FLAMBEAU INDIAN RESERVATION, WISCONSIN
