

General Figures:

- NURE water sample locations.....**p. 2**
- Stream sediment sample locations.....**p. 3**
- Geologic provinces of New England...**p. 4**
- Sample counts by geologic province...**p. 5**
- Bedrock lithology in New England....**p. 6**
- Sample counts by bedrock lithology...**p. 7**
- Hydrologic basins in New England.....**p. 8**
- Sample counts by hydrologic basin....**p. 9**
- Population density in New England...**p. 10**

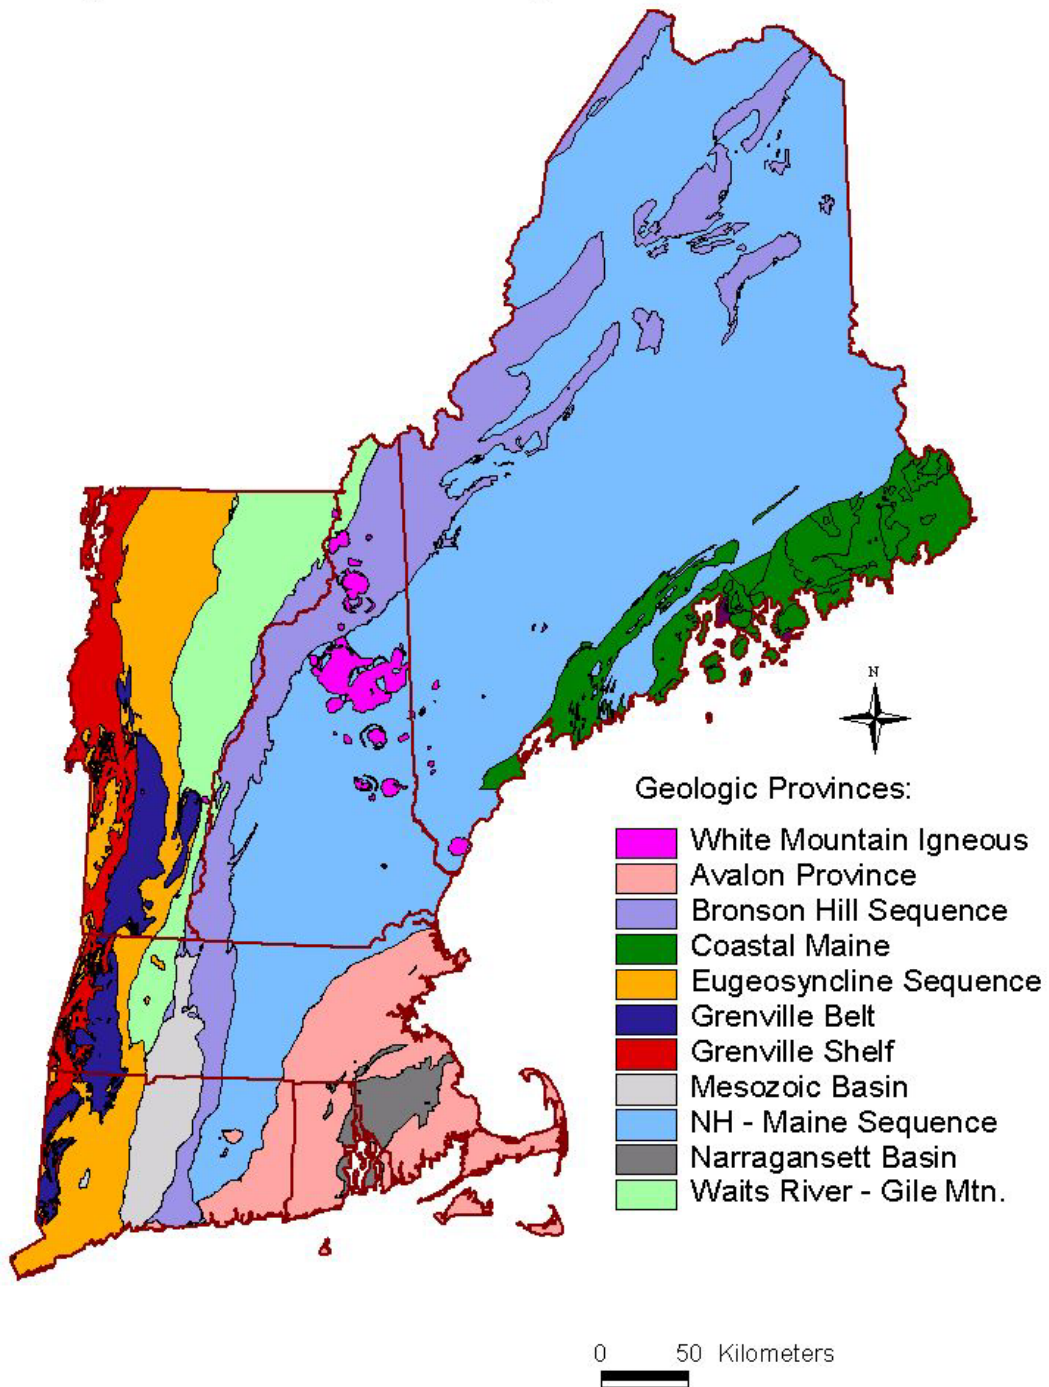

NURE Sample Locations in New England

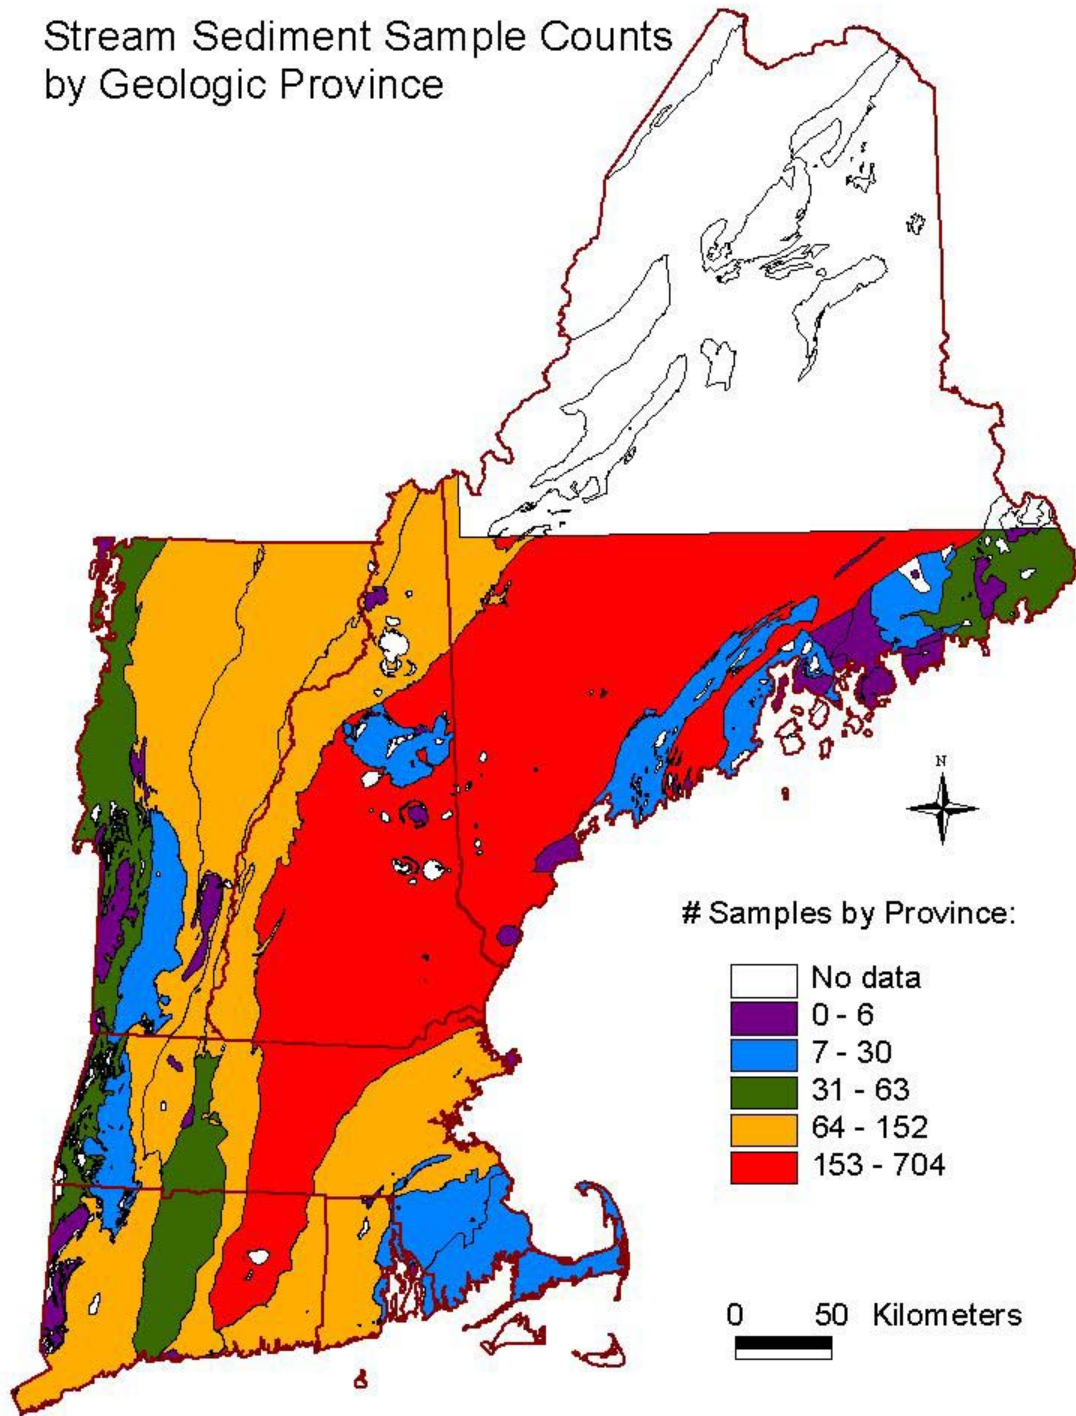

Stream Sediment Sample Locations in New England

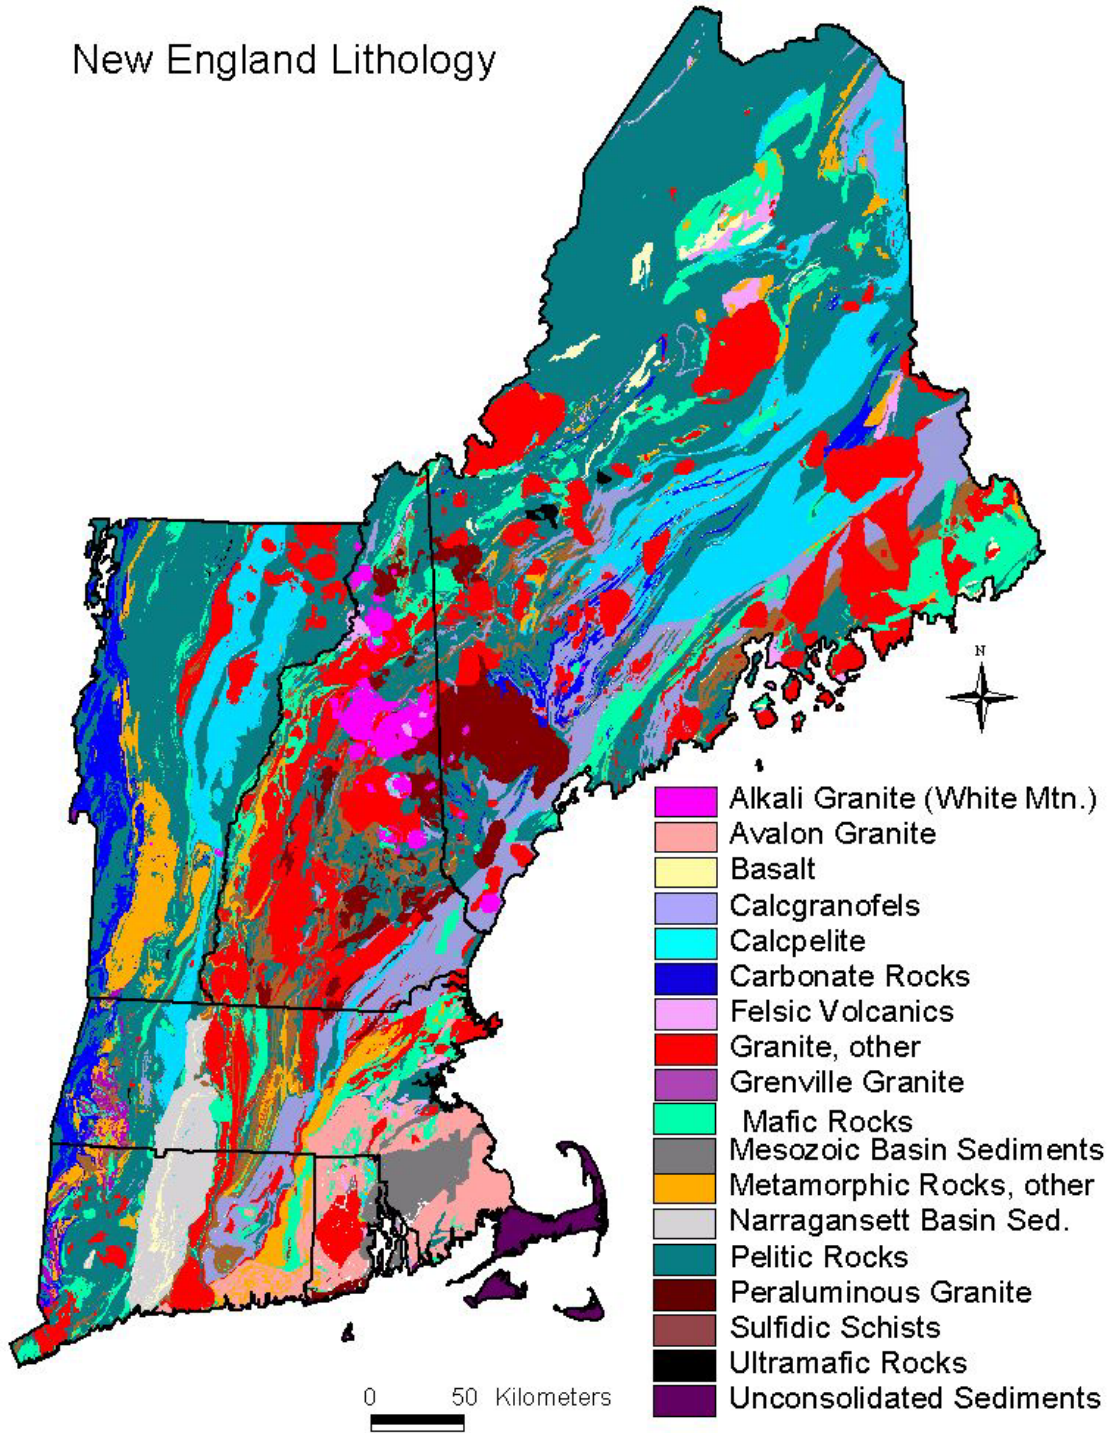

Geologic Provinces in New England

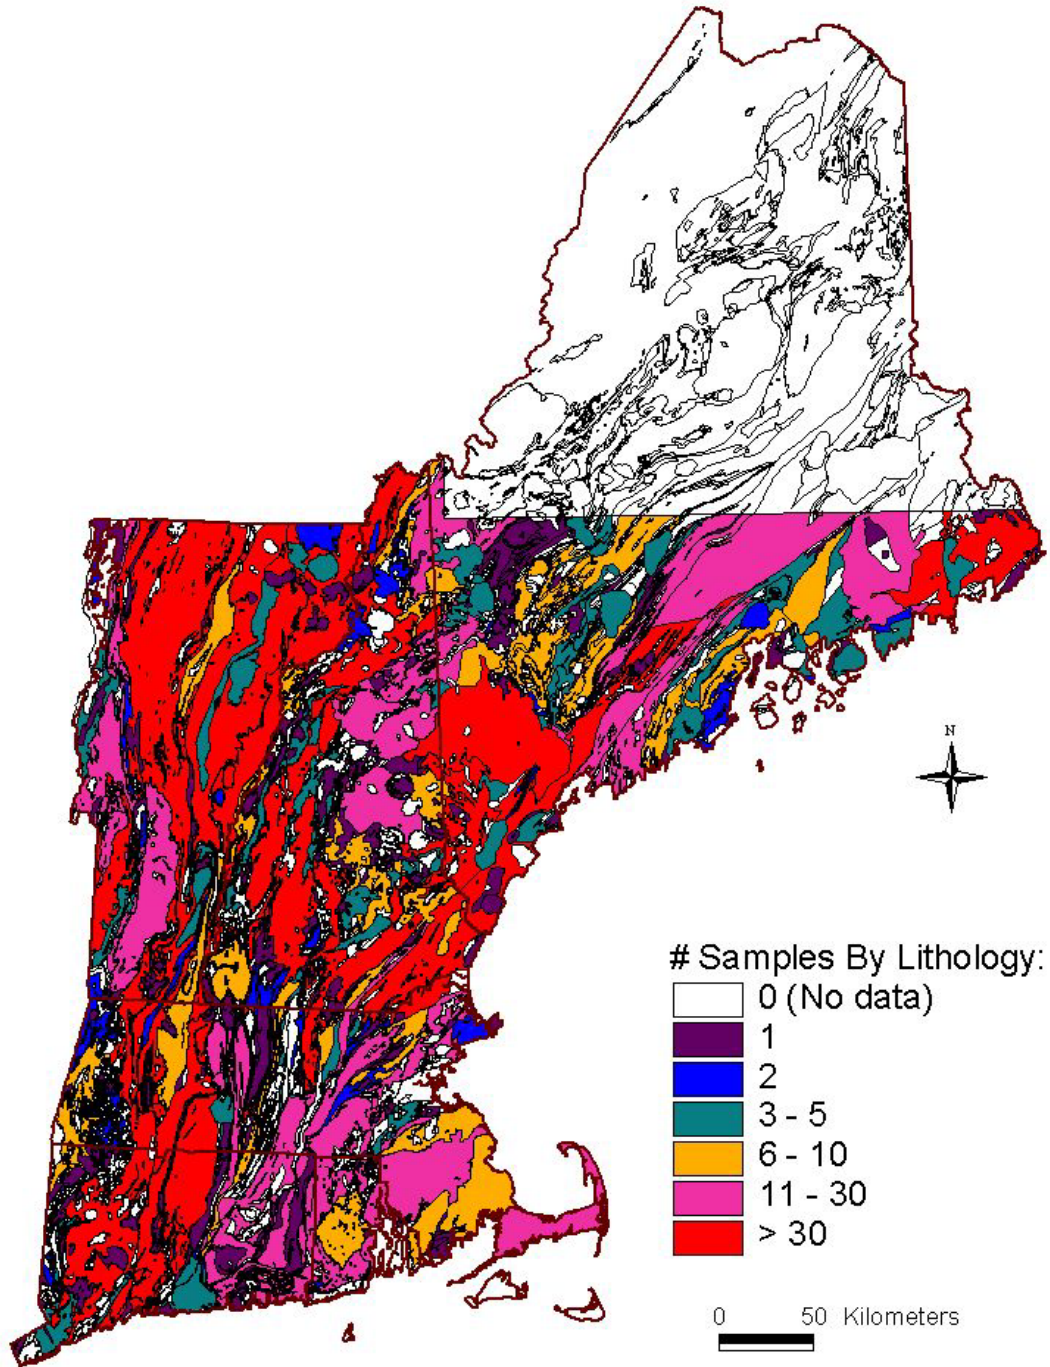

Stream Sediment Sample Counts by Geologic Province

New England Lithology

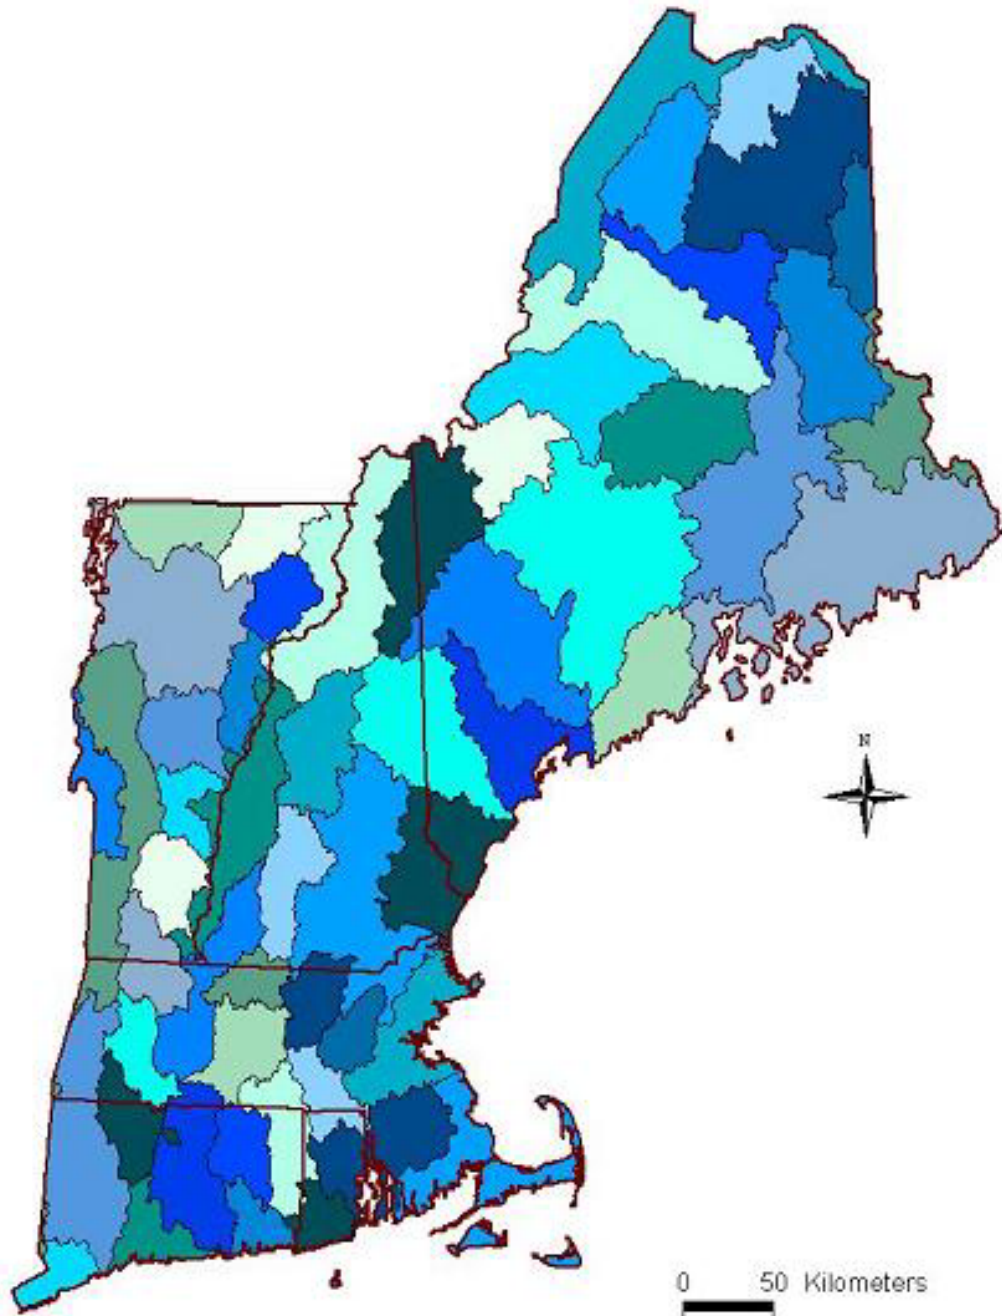

Stream Sediment Sample Counts by Lithology

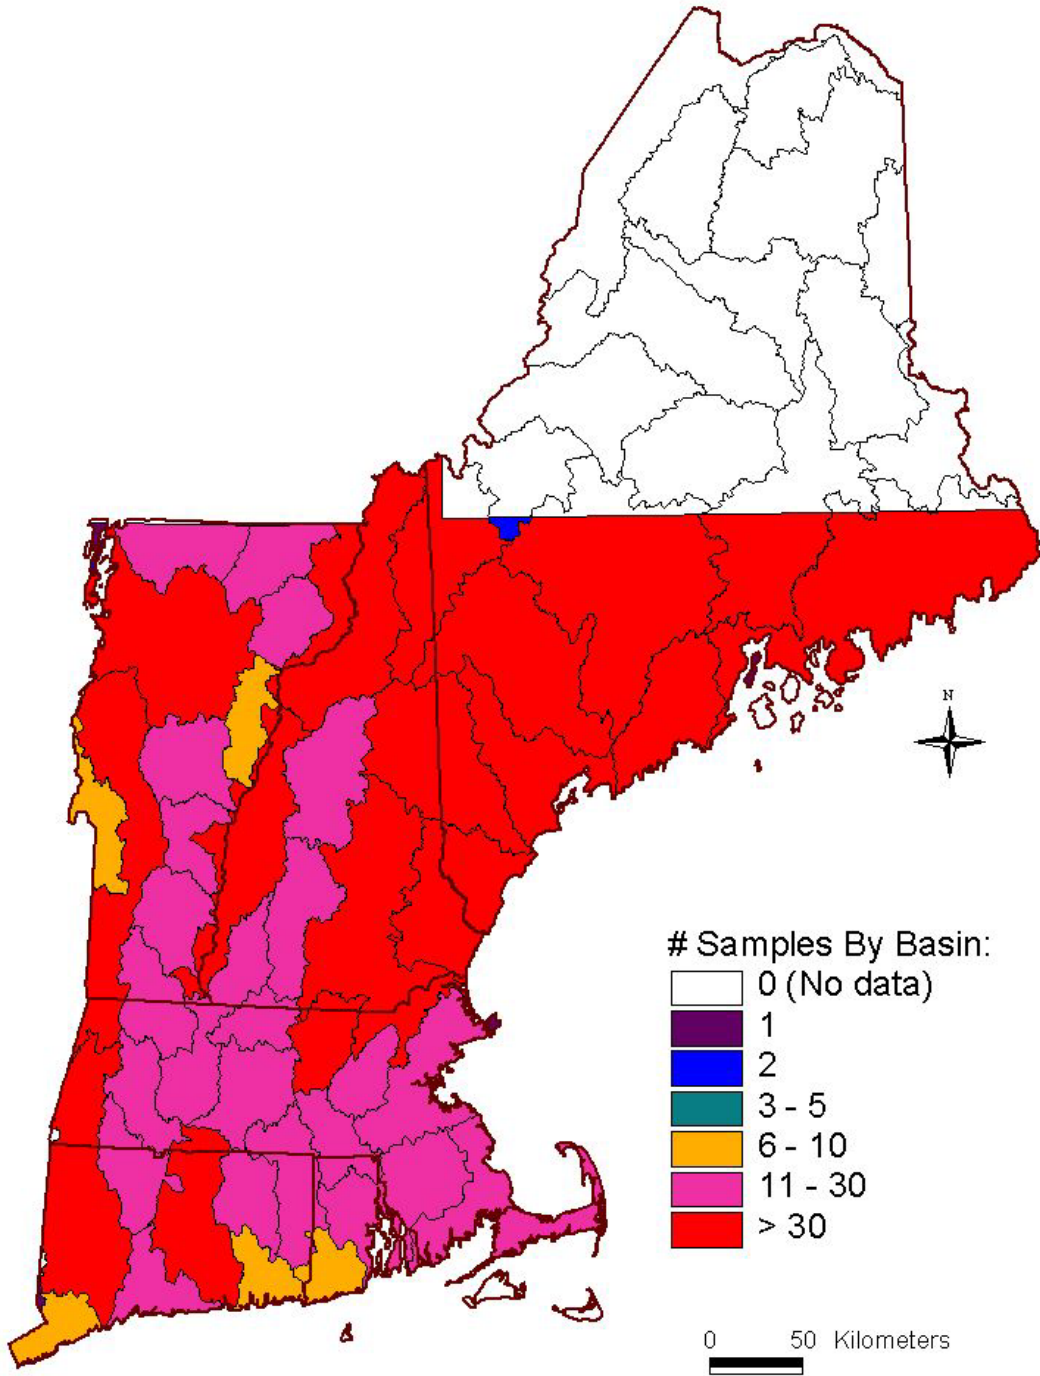

Hydrologic Basins in New England

(Steeves and Nebert, 1994)

Stream Sediment Sample Counts by Hydrologic Basin

Population Density in New England
