

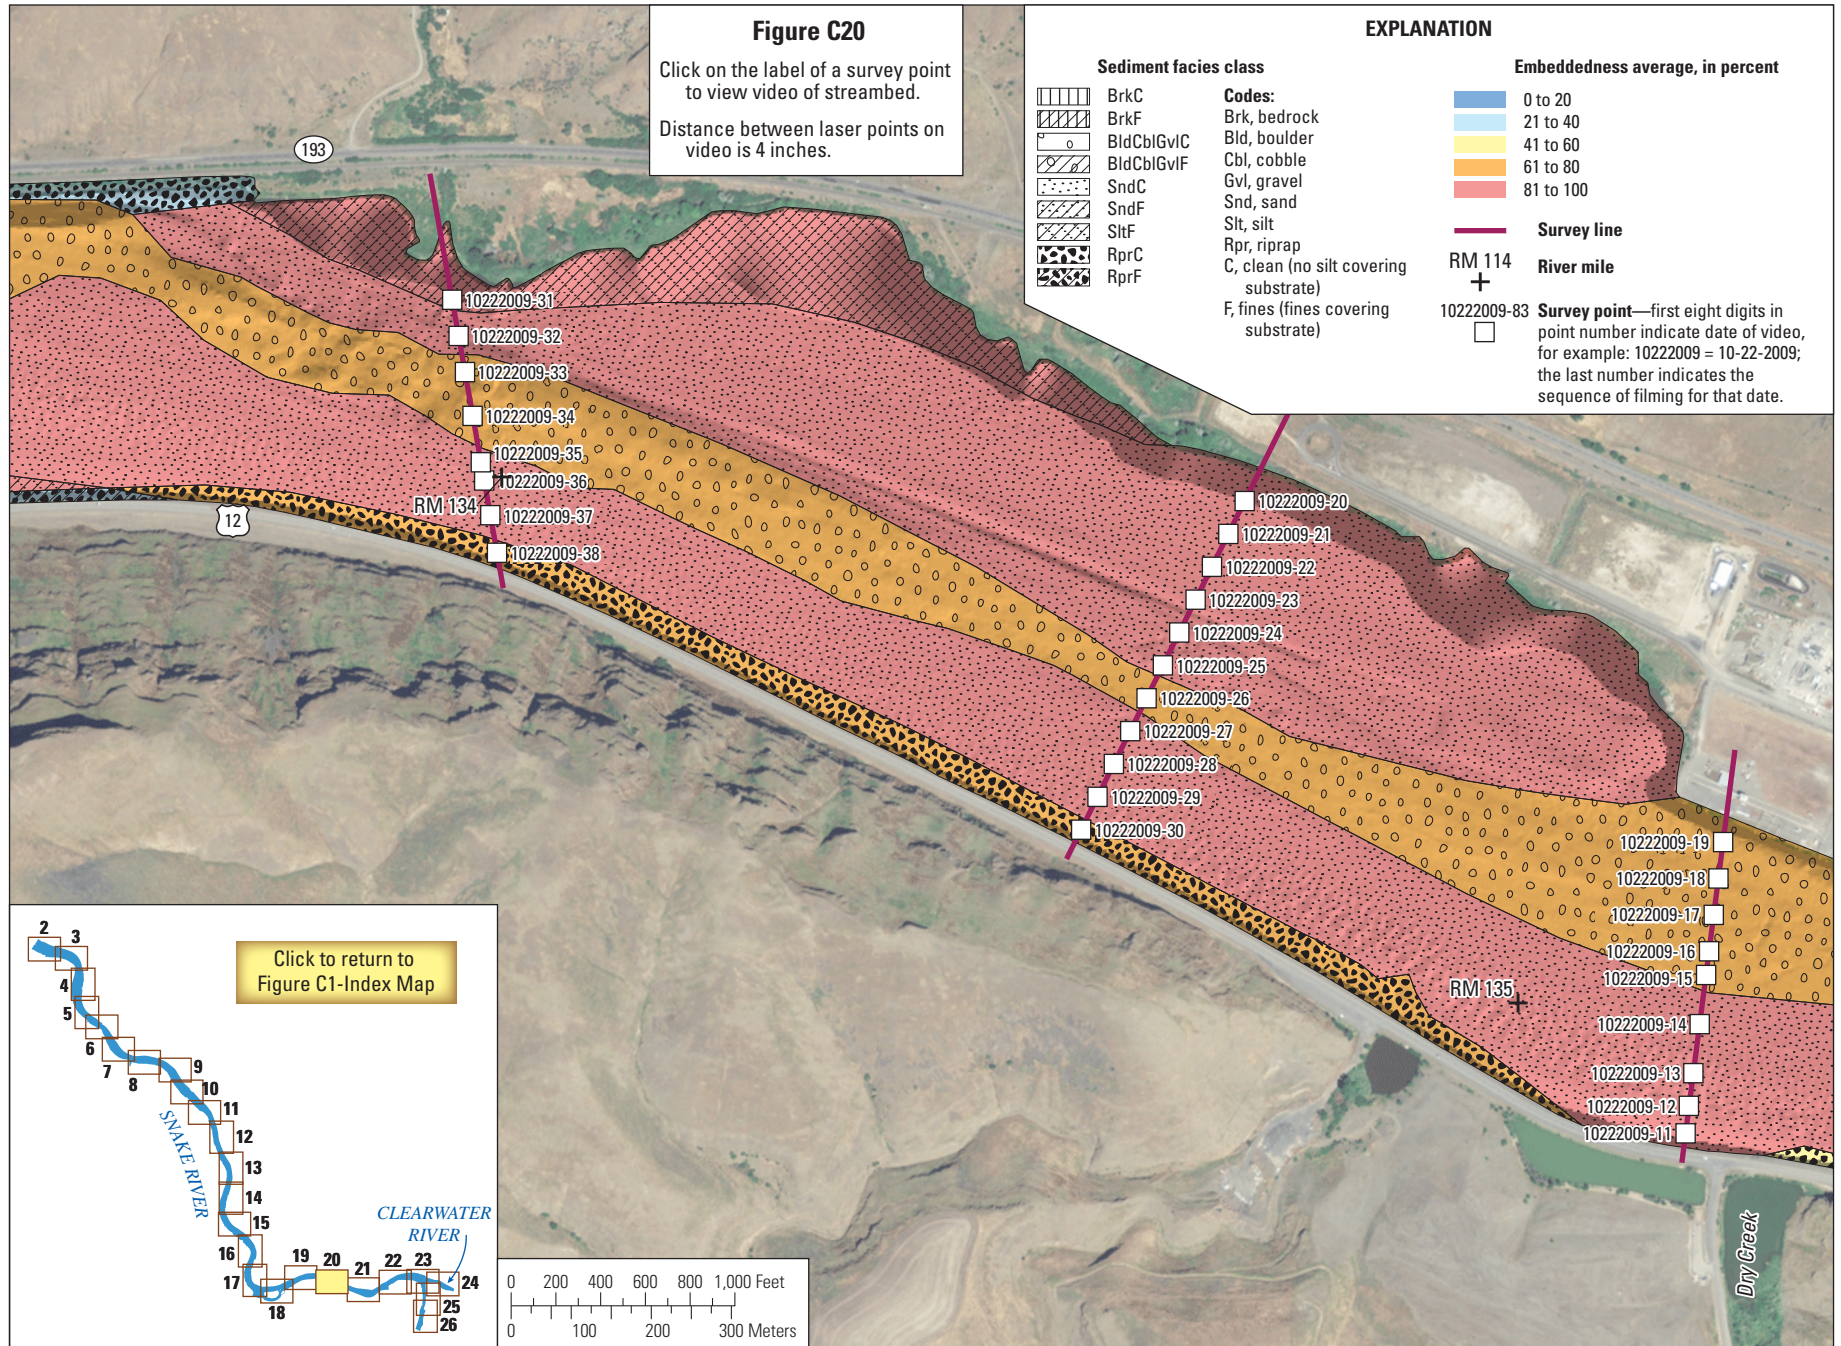

Figure C20

Click on the label of a survey point
 to view video of streambed.
 Distance between laser points on
 video is 4 inches.

EXPLANATION

- | | | | |
|------------------------------|------------|---|--|
| Sediment facies class | | Embeddedness average, in percent | |
| | BrkC | | 0 to 20 |
| | BrkF | | 21 to 40 |
| | BldCblGvIC | | 41 to 60 |
| | BldCblGvIF | | 61 to 80 |
| | SndC | | 81 to 100 |
| | SndF | | Survey line |
| | SlitF | | River mile |
| | RprC | | Survey point —first eight digits in
point number indicate date of video,
for example: 10222009 = 10-22-2009;
the last number indicates the
sequence of filming for that date. |
