

MAP OF THE SNAKE RIVER PLAIN, IDAHO, AND ADJACENT AREAS THAT CONTRIBUTE GROUND WATER TO THE SNAKE RIVER

Showing observation wells and contours of the water table in 1928 to 1930

Scale 25000
1938

EXPLANATION

Well in which the depth to the water level was measured in 1928 or 1930

Contour of water table, approximate, where the datum is mean sea level

Approximate boundary of observation or study area where no water table exists
