CONTENTS.

	Page.
INTRODUCTION, by C. W. Hayes.....	7
INVESTIGATIONS OF METALLIFEROUS ORES, by S. F. Emmons.....	14
INVESTIGATIONS OF IRON ORES, STRUCTURAL MATERIALS, ETC., by E. C. Eckel.....	20
GOLD AND SILVER.....	26
Colorado:	
Lake Fork extension of the Silverton mining area, by L. H. Woolsey..	26
Montana:	
The Granite-Bimetallic and Cable mines, Philipsburg quadrangle, by W. H. Emmons.....	31
Washington:	
Gold-bearing river sands of northeastern Washington, by A. J. Collier.	56
Wyoming:	
Gold developments in central Uinta County and at other points on Snake River, by A. R. Schultz.....	71
Survey publications on gold and silver.....	89
COPPER.....	93
Wyoming:	
Copper deposits of the Hartville uplift, by S. H. Ball.....	93
Survey publications on copper.....	108
NICKEL, URANIUM, ETC.....	110
Colorado:	
Carnotite in Rio Blanco County, by H. S. Gale.....	110
Maine:	
Note on a mineral prospect near Ayers Junction, West Pembroke, by G. O. Smith.....	118
Oregon:	
Nickel deposits of Nickel Mountain, by G. F. Kay.....	120
Survey publications on tin, quicksilver, platinum, nickel, etc.....	128
LEAD AND ZINC.....	129
Survey publications on lead and zinc.....	129
IRON AND MANGANESE ORES.....	130
Alabama:	
The Clinton or red ores of the Birmingham district, by E. F. Burchard.	130
The brown iron ores of the Russellville district, by E. F. Burchard...	152
The gray iron ores of Talladega County, by P. S. Smith.....	161
Pennsylvania:	
Magnetite deposits of the Cornwall type in Berks and Lebanon counties, by A. C. Spencer.....	185
Wyoming:	
The Hartville iron-ore range, by S. H. Ball.....	190
Titaniferous iron ore of Iron Mountain, by S. H. Ball.....	206
Survey publications on iron and manganese ores.....	213

	Page.
ALUMINUM AND BAUXITE.....	215
New Mexico:	
The Gila River alum deposits, by C. W. Hayes.....	215
Survey publications on aluminum ores—bauxite, cryolite, etc.....	224
PORTLAND, NATURAL, AND PUZZOLAN CEMENTS.....	225
Iowa:	
Portland-cement materials near Dubuque, by E. F. Burchard.....	225
Wyoming:	
Portland-cement materials in eastern Wyoming, by S. H. Ball.....	232
Survey publications on Portland, natural, and puzzolan cements.....	245
LIME, MAGNESITE, ETC.....	247
Alabama:	
Limestone and dolomite in the Birmingham district, by Charles Butts..	247
Sand-lime brickmaking near Birmingham, by Charles Butts.....	256
Survey publications on lime and magnesia.....	259
GYPSUM, PLASTERS, ETC.....	260
New Mexico:	
Gypsum in northwestern New Mexico, by M. K. Shaler.....	260
Survey publications on gypsum and plasters.....	266
Survey publications on salt, borax, and soda.....	267
CLAYS AND CLAY PRODUCTS.....	268
General:	
Properties and tests of fuller's earth, by J. T. Porter.....	268
Alabama:	
Clays of the Birmingham district, by Charles Butts.....	291
Colorado-New Mexico:	
Clay deposits of the western part of the Durango-Gallup coal field, by M. K. Shaler and J. H. Gardner.....	296
Georgia:	
Kaolins and fire clays of central Georgia, by Otto Veatch.....	303
Missouri:	
Clay resources of the St. Louis district, by N. M. Fenneman.....	315
Pennsylvania:	
White clays of South Mountain, by G. W. Stose.....	322
Clays and shales of the Clarion quadrangle, Clarion County, by E. F. Lines.....	335
Clays and shales of southwestern Cambria County, by W. C. Phalen and Lawrence Martin.....	344
Survey publications on clays, fuller's earth, etc.....	355
BUILDING STONE AND ROAD METAL.....	356
New England:	
Recent work on New England granites, by T. N. Dale.....	356
Survey publications on building stone and road metal.....	360
GLASS-MAKING MATERIALS.....	361
General:	
Glass-sand industry of Indiana, Kentucky, and Ohio, by E. F. Bur- chard.....	361
Notes on various glass sands, mainly undeveloped, by E. F. Burchard..	377
QUARTZ AND FELDSPAR.....	383
Maine:	
Feldspar and quartz deposits of Maine, by E. S. Bastin.....	383
New York:	
Feldspar and quartz deposits of southeastern New York, by E. S. Bastin.....	394

	Page.
MICA, GRAPHITE, ETC.....	400
North Carolina:	
Mica deposits of western North Carolina, by D. B. Sterrett.....	400
Wyoming:	
Mica in the Hartville uplift, by S. H. Ball.....	423
Graphite in the Haystack Hills, Laramie County, by S. H. Ball.....	426
Survey publications on mica, graphite, etc.....	429
MINERAL PAINTS.....	430
General:	
Southern red hematite as an ingredient of metallic paint, by E. F. Burchard.....	430
Pennsylvania:	
Mineral paint ores of Lehigh Gap, by E. C. Eckel.....	435
ABRASIVE MATERIALS.....	438
California:	
Diatomaceous deposits of northern Santa Barbara County, by Ralph Arnold and Robert Anderson.....	438
Survey publications on abrasive materials.....	448
PHOSPHATES AND PHOSPHORUS.....	449
General:	
Phosphate deposits in western United States, by F. B. Weeks and W. F. Ferrier.....	449
Arkansas:	
Developed phosphate deposits of northern Arkansas, by A. H. Purdue.....	463
Pennsylvania:	
Phosphorus ore at Mount Holly Springs, by G. W. Stose.....	474
Survey publications on phosphates and other mineral fertilizers.....	484
SULPHUR AND PYRITE.....	485
Utah:	
The Cove Creek sulphur beds, by W. T. Lee.....	485
Survey publications on sulphur and pyrite.....	490
INDEX.....	491

ILLUSTRATIONS.

	Page.
PLATE I. Map showing location of Snake River gold placers in a portion of Uinta County, Wyo.....	76
II. Map showing location of placer claims along Snake River in the vicinity of Minidoka, Idaho.....	78
III. Geologic map of upper Coal Creek Valley and vicinity, Rio Blanco County, Colo.....	112
IV. Map of parts of Idaho, Wyoming, and Utah, showing localities of upper Carboniferous rocks containing phosphate beds.....	450
FIG. 1. Index map showing position of mining camps in Philipsburg quadrangle, Montana.....	32
2. Sketch plan of the Granite-Bimetallic lode, Philipsburg quadrangle, Montana.....	39
3. Generalized section of Granite vein, Philipsburg quadrangle, Montana..	42
4. Granite block surrounded and cut by coarsely crystalline calcite, quartz, pyrite, and chalcopyrite, Cable mine, Philipsburg quadrangle, Montana.....	48
5. Economic map of the Hartville uplift, Laramie County, Wyo.....	192
6. Sketch map of Gila River alum deposits.....	218
7. Map showing distribution of Portland cement raw materials in vicinity of Newcastle, Wyo.....	233
8. Map showing location of Cheyenne and Newcastle, Wyo., in relation to established Portland cement plants and transcontinental railroads...	240
9. Sketch map showing line of outcrop of gypsum bed, northwestern New Mexico.....	261
10. Map showing exposures of Cretaceous rocks in Georgia.....	305
11. Map of Cheltenham district and vicinity, St. Louis, Mo.....	315
12. Map of South Mountain in the vicinity of Mount Holly Springs, Pa., showing clay mines and rock formations.....	327
13. Map showing areas in North Carolina in which mica has been mined.....	402
14. Section across pegmatite at Thorn Mountain mine, Macon County, N. C..	411
15. Pegmatite 2½ feet thick near Wayah Bald mine, Macon County, N. C....	413
16. Section of pegmatite at mica prospect near Chink Knob, Jackson County, N. C.....	416
17. Section of pegmatite at Adams mine, 1½ miles southeast of Webster, Jackson County, N. C.....	417
18. Sketch section 2 miles northeast of Cokeville, Wyo., on north side of Smiths Fork.....	456
19. Section of Carboniferous strata on north side of Montpelier Creek, Idaho..	458
20. Typical section of lower portion of phosphate series, Montpelier, Idaho..	459
