

RECONNAISSANCE MAP OF CHITINA QUADRANGLE COPPER RIVER REGION, ALASKA

Scale 1:50,000
Scale in miles and kilometers
Contour interval 200 feet
Dotted lines represent probable topography unmeasured
B64

Note: East of longitude 146 and north of latitude 58.40 there is a possible error ranging from approximately 20' in latitude and 30' in longitude on the west to approximately 30' in latitude and 30' in longitude on the east. The latitude error is north and the longitude error is west. The work in the Hering-Bremner region has been adjusted to meet these conditions.
