

**MAP OF WOODSFIELD QUADRANGLE, OHIO**  
 SHOWING AREAS PRODUCTIVE OF OIL AND GAS IN PARTS OF BELMONT,  
 MONROE, NOBLE, AND GUERNSEY COUNTIES

Oil and gas data by D. Dale Condit  
 and R. Van A. Mills  
 Surveyed in 1914

1916  
**LEGEND**

Areas productive of oil and of gas

Areas productive of both oil and gas

Note: Oil and gas come from a number of sands, several of which may be productive in the same pool and even in the same well. The most important sands for each pool are designated on the map. For information as to the productive sands in various wells, see Plate XXIV.
