

EXPLANATION

- | | | |
|--|------------------------|----------------|
| | Alluvium | } QUATERNARY |
| | Tin-bearing alluvium | |
| | Granite | } CAMBRIAN (?) |
| | Phyllite and quartzite | |
| | Phuket series | |

 Contact, dashed where mapped
 in reconnaissance survey

 Inferred contact on basis of
 incomplete geologic data

? ?
 Inferred contact on basis of
 topographic information

98°20' 20 0 100 Kilometers
 Contour interval 100 feet
 Datum is mean sea level
