

- EXPLANATION**
- Qal Recent stream deposits
 - QT Fluvatile and lacustrine deposits
 - + + + Kgr + + + Younger (?) granite
 - / / / Jrk / / / Korat series
 - x x x Jgr x x x Older granite
 - / / / PCrb / / / Rat Buri limestone
 - / / / CDSk / / / Kanchanaburi series
 - Sandstone or quartzite
 - / / / Shale / / / Shale
 - / / / Slate or phyllite / / / Slate or phyllite
 - / / / Crystalline limestone / / / Crystalline limestone
 - / / / Schist / / / Schist
- Formation contacts mapped in reconnaissance surveys
 Formation contacts inferred on the basis of incomplete geologic information
 Formation contacts inferred on the basis of topographic information or concealed beneath surficial cover over large areas

Geology by G F Brown,
Nitipat Jalichandra
and G C Taylor, Jr
