DESCRIPTION OF MAP UNITS

ALL AREAS OF HEALY QUADRANGLE

Northern Areas (Shelf and Valley Bed)
- Shallow marine to emergent (depositional)
- Emergent, emergent to emergent (depositional)
- Emergent, emergent to emergent (depositional)
- Emergent, emergent to emergent (depositional)
- Emergent, emergent to emergent (depositional)
- Emergent, emergent to emergent (depositional)
- Emergent, emergent to emergent (depositional)
- Emergent, emergent to emergent (depositional)
- Emergent, emergent to emergent (depositional)
- Emergent, emergent to emergent (depositional)
- Emergent, emergent to emergent (depositional)

Northern Central Areas (Shelf and Valley Bed)
- Shallow marine to emergent (depositional)
- Emergent, emergent to emergent (depositional)
- Emergent, emergent to emergent (depositional)
- Emergent, emergent to emergent (depositional)
- Emergent, emergent to emergent (depositional)
- Emergent, emergent to emergent (depositional)
- Emergent, emergent to emergent (depositional)
- Emergent, emergent to emergent (depositional)
- Emergent, emergent to emergent (depositional)
- Emergent, emergent to emergent (depositional)

Southernmost and West-Central Areas of Healy Quadrangle
- Shallow marine to emergent (depositional)
- Emergent, emergent to emergent (depositional)
- Emergent, emergent to emergent (depositional)
- Emergent, emergent to emergent (depositional)
- Emergent, emergent to emergent (depositional)
- Emergent, emergent to emergent (depositional)
- Emergent, emergent to emergent (depositional)
- Emergent, emergent to emergent (depositional)
- Emergent, emergent to emergent (depositional)
- Emergent, emergent to emergent (depositional)

DISTRIBUTION OF ANOMALOUSLY HIGH CONCENTRATIONS OF SELECTED ELEMENTS IN STREAM-SEDIMENT SAMPLES, HEALY QUADRANGLE, ALASKA

[Map Diagram]

- Sedimentary and Volcanic Rocks
- Tectonic Units
- Stratigraphic Units
- Structural Units
