

EXPLANATION

- Boundary of alluvium
 - Top of the Deer Creek limestone
 - Middle bed of the Oread limestone
 - Labadie limestone
 - Lower Fusulina-bearing limestone
 - Fault
 - Structure contours, interval 10 feet
- (Solid line, error probably not more than 10 feet; dashed line, error may be more than 10 feet; dotted line, position inferred)

- Drilling well
- Dry hole
- Show of gas
- Gas well
- Show of oil
- Oil well
- Show of gas and oil
- Oil and gas well
- Oil well with show of gas
- Abandoned oil well
- Abandoned gas well
