

Prepared in partnership with the Tampa Bay Estuary Program

# Integrating Science and Resource Management in Tampa Bay, Florida

Circular 1348

**Cover:** The distinctive Sunshine Skyway Bridge spans the mouth of Lower Tampa Bay and serves as a unifying landmark of the region.

*Photo* by Chuck Ross, photo entry of the Tampa Bay Estuary Program's 20th anniversary photo contest.

**Title Page:** An egret flies back to its evening roost in the mangroves at Fort De Soto Park , the most heavily visited county park in Pinellas County.

*Photo* by Peter Lousberg, 1st place winner of the Tampa Bay Estuary Program's 20th anniversary photo contest.
