- **A. Modification of terrain**
  - Excavation
  - Clearing
  - Grading and leveling
  - Erosion control
  - Sediment control
  - Site grading and stabilization
  - Landscaping
  - Hardscaping
  - Marsh fill and drainage

- **B. Land transformation and construction**
  - Transportation
    - Roadway
    - Airfield
    - Inland waterway
  - publicly owned and funded
  - privately owned and funded

- **C. Cultural factors**
  - Architectural and historic interest
  - Recreational areas
  - Natural areas
  - Agricultural areas
  - Industrial sites and buildings
  - Public utilities
  - Schools and hospitals
  - Commercial and institutional
  - Residential areas

- **D. Ecological relationships such as:**
  - Habitat
  - Species
  - Communities
  - Ecosystems
  - Aquatic systems
  - Terrestrial systems

- **E. Processes**
  - Sedimentation
  - Erosion
  - Sedimentation and erosion
  - Sedimentation and erosion
