Habitats
View southwest from Clingmans Dome. Fontana Reservoir is in the distance.

Mt. Le Conte.
Top of Andrews Bald, view toward Thunderhead Mountain.

Clingmans Dome (highest point in the Great Smokies). The effects of clearcut logging and fire are clearly visible on the right: the dead trees are Fraser Fir, killed by the Balsam woolly adelgid.
PLATE 6

Cades Cove, view to southeast.

Cades Cove, view toward Gregorys Bald (hidden in clouds). Friendly resident.
