Areas of interest and subareas are defined in Peters and others (2007). Data modified by the U.S. Geological Survey (USGS) and AIMS.

Daykundi Area of Interest

Base map from Advanced Spaceborne Thermal Emissions and Reflectance Radiometer (ASTER) 30-meter digital data

Areas of interest and subareas are defined in Peters and others (2007). Data modified by the U.S. Geological Survey (USGS) and AIMS.
Dudkash Area of Interest

Areas of interest and subareas are defined in Peters and others (2007). Data modified by the U.S. Geological Survey (USGS) and AIMS.
Areas of interest and subareas are defined in Peters and others (2007). Data modified by the U.S. Geological Survey (USGS) and AIMS.
Areas of interest and subareas are defined in Peters and others (2007). Data modified by the U.S. Geological Survey (USGS) and AIMS.

EXPLANATION

Subareas
- Ghunday Mamahel
- Achin Magnesite
Areas of interest and subareas are defined in Peters and others (2007). Data modified by the U.S. Geological Survey (USGS) and AIMS. Base map from Advanced Spaceborne Thermal Emissions and Reflectance Radiometer (ASTER) 30-meter digital data. Cultural data from digital files from Afghanistan Information Management Services (AIMS) website (http://www.aims.org.af), acquired in November 2010.

EXPLANATION

Subareas
- Haji Gak Prospect
- NE HajiGak
- Farenjal Area

HajiGak Area of Interest
Khanneshin Area of Interest

EXPLANATION

Subareas

- Khanneshin Volcano

Areas of interest and subareas are defined in Peters and others (2007). Data modified by the U.S. Geological Survey (USGS) and AIMS.
Kharnak Area of Interest.

Areas of interest and subareas are defined in Peters and others (2007). Data modified by the U.S. Geological Survey (USGS) and AIMS.

Base map from Advanced Spaceborne Thermal Emissions and Reflectance Radiometer (ASTER) 30-meter digital data

EXPLANATION

Subareas
- Panjsha Mullayan
- Koh-e Katif
- Sahebdad Khanjar

Areas of interest and subareas are defined in Peters and others (2007). Data modified by the U.S. Geological Survey (USGS) and AIMS.
Kunduz Area of Interest

Areas of interest and subareas are defined in Peters and others (2007). Data modified by the U.S. Geological Survey (USGS) and AIMS.
Nalbandon Area of Interest

EXPLANATION

Subareas
- Nalbandon District
- Gharghananaw Gawmazar

Areas of interest and subareas are defined in Peters and others (2007). Data modified by the U.S. Geological Survey (USGS) and AIMS.
North Herat Area of Interest

Areas of interest and subareas are defined in Peters and others (2007). Data modified by the U.S. Geological Survey (USGS) and AIMS.
North Takhar Area of Interest

Areas of interest and subareas are defined in Peters and others (2007). Data modified by the U.S. Geological Survey (USGS) and AIMS.
Nuristan Area of Interest

Areas of interest and subareas are defined in Peters and others (2007). Data modified by the U.S. Geological Survey (USGS) and AIMS.
Panjsher Valley Area of Interest

EXPLANATION

Subareas

- Emeralds
- Silver and Iron

Areas of interest and subareas are defined in Peters and others (2007). Data modified by the U.S. Geological Survey (USGS) and AIMS.
Takhar Area of Interest

Areas of interest and subareas are defined in Peters and others (2007). Data modified by the U.S. Geological Survey (USGS) and AIMS.
Tourmaline Area of Interest

Areas of interest and subareas are defined in Peters and others (2007). Data modified by the U.S. Geological Survey (USGS) and AIMS.
Zarkashan Area of Interest

Base map from Advanced Spaceborne Thermal Emissions and Reflectance Radiometer (ASTER) 30-meter digital data acquired in November 2010.

EXPLANATION

Subareas
- Bolo Gold Prospect
- Zarkashan Mine Area
- Luman Tamaki

Areas of interest and subareas are defined in Peters and others (2007). Data modified by the U.S. Geological Survey (USGS) and AIMS.
