Sirs:

You are hereby notified that it is our intention to abandon and plug a well known as J. J. & Perry Kennedy Well No. 1 in _____ Land Lot No. 17 Land District 57, Emanuel County, permission to drill which was granted on _____, 19____ on Form _____ No. _____.

Give full details of proposed plan of work including the following information: Length and depth of plugs; plans for mudding, cementing, shooting, testing and removing casing. This hole was lost at 1833'6", together with 1800 ft. of

drill stem in the hole. There was no oil or gas or salt water encountered.

in this hole. It is the request of the owners of this land, J.J. & Perry

Kennedy that this well be left as it now is. It is flowing about 1500 gals.

per minute fine sweet water, which comes from 820 to 480 and the flow was

doubled almost 878 ft. to 923 ft. Before the last water flow it was estimated
Date of proposed operations _____, 19____ around 900 gals per minute

NOTICE: The following is an excerpt from Rule _____ of the State Oil and Gas Commission: Before plugging any well, the owner shall give notice to all available adjoining lease and property owners, and representatives of such adjoining lease and property owners may be present to witness the plugging if they so desire, but plugging shall not be delayed because of inability to deliver notice to adjoining lease property owners.

Approved _____, 19____.

Except as follows:

* NOTE: The bottom of this hole is full of heavy mud up to the 900 - 923 ft. There is no way that this can be harmful, and can be used to great advantage by J. J. & Perry Kennedy so they have informed us.

Sincerely yours,

R. E. FALLIN, ~~REN FALLIN~~, and
