

Cooperative Fish and Wildlife Research Units Program—
2019 Year in Review

U.S. Department of the Interior
U.S. Geological Survey

Dear friends,

I invite you to take a look at U.S. Geological Survey Circular 1463, "Cooperative Fish and Wildlife Research Units Program—2019 Year in Review," now available at <https://doi.org/10.3133/cir1463>. In this report, you will find details about the Cooperative Fish and Wildlife Research Units (CRU) program concerning fish and wildlife science, students, staffing, vacancies, research funding, outreach and training, awards, accolades, and professional services. You will also see examples of unit projects with information on how results have been or are being applied by our cooperators.
