

U.S. Department of the Interior
U.S. Geological Survey

Types of Maps

This booklet lists some of the many types of maps and charts available from the Federal Government—from demographic maps to foreign aeronautical charts.

Maps and charts are listed alphabetically by type, followed by the names of the agencies from which you can order each type of map. A list of agency addresses begins on page 6. Call or write the distributing agencies directly for publishing and ordering information.

Aeronautical charts - United States

Available from National Ocean Service

Aeronautical charts - foreign

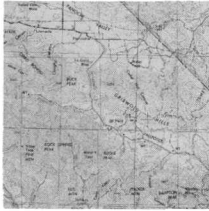

Available from Defense Mapping Agency

Bathymetric maps

Available from National Ocean Service

U.S. Geological Survey

U.S. Army Corps of Engineers

Boundary information

United States and Canada

Available from International Boundary
Commission, United States and Canada

United States and Mexico

Available from International Boundary and
Water Commission, United States and
Mexico

*Boundary and annexation surveys of
incorporated places with populations of
2,500 or more*

Available from Bureau of the Census

Civil subdivisions and reservations

Available from Bureau of Land Management

State/Federal

Available from Department of State

Congressional district atlases

Available from Bureau of the Census

Continental shelf maps

Available from U.S. Geological Survey

Minerals Management Service

Bureau of Land Management

Census data

Available from Bureau of the Census

County maps

Available from U.S. Geological Survey

Demographic maps

Available from Bureau of the Census

Earthquake hazard maps

Available from U.S. Geological Survey

Estuarine coastline measurement charts

Available from the Environmental
Protection Agency

Federal property maps

Fish and wildlife refuges

Available from U.S. Fish and Wildlife Service

National forests

Available from U.S. Forest Service

National parks

Available from National Park Service

Military installations

Available from Department of the Air Force

Department of the Army

U.S. Coast Guard

U.S. Marine Corps

Department of the Navy

Space program installations

Available from National Aeronautics and
Space Administration

Farmland maps

Available from Soil Conservation Service

Fish hatcheries (indexes and maps)

Available from U.S. Fish and Wildlife Service

Flood-plain maps

Available from Delaware River Basin
Commission

Mississippi River Commission

National Ocean Service

Soil Conservation Service

U.S. Army Corps of Engineers

U.S. Geological Survey

Flood hazard boundary and flood insurance rate maps

Available from Federal Emergency
Management Agency

Foreign country maps

Available from Central Intelligence Agency

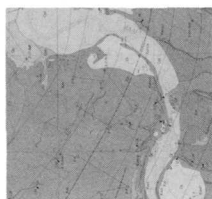

Geodetic control data

Available from National Ocean Service

Geologic maps

Coal investigations

Available from U.S. Geological Survey

Geophysical investigations

Available from National Environmental
Satellite, Data, and Information Service

Environmental Research Laboratories
