Explore Volcanoes at <http://volcanoes.usgs.gov>

Lava from Kīlauea volcano flowing through a forest in the Royal Gardens subdivision, Hawai`i, in February 2008. The Hawaiian Volcano Observatory (HVO) monitors the volcanoes of Hawai`i and is located within Hawai`i Volcanoes National Park. HVO is one of five USGS Volcano Hazards Program observatories that monitor U.S. volcanoes for science and public safety. Learn more about Kīlauea and HVO at <http://hvo.wr.usgs.gov>.
