

Base from photogrammetric compilation by the
United States Geological Survey, 1944

PLATE 3
PRELIMINARY MAP SHOWING TOTAL MAGNETIC INTENSITY IN PART OF NAVAL PETROLEUM RESERVE NO. 4, ALASKA

Map compiled by D. S. Ross, M. E. Hill, F. M. Byers,
W. S. Warren, J. C. R. Bailey, and R. Thurmond, 1946

Contour interval 10 gammae
Magnetic intensity measured 1950 gammae at intersection
of base line and long 155 15 10 15 20 N

Alaska (Naval petroleum reserve no. 4). Magnetic. 1:750,000. 1946.
