

Base by U.S. Geological Survey, 1953

SCALE 1:24 000

Aeromagnetic survey flown and compiled by the  
U.S. Geological Survey. Flown at 500 feet  
above ground, 1966

DATUM IS MEAN SEA LEVEL

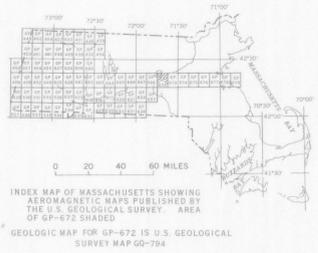

EXPLANATION

Magnetic contours  
Showing total intensity magnetic field of the earth  
in gammas relative to arbitrary datum. Hachured  
to indicate closed areas of lower magnetic intensity,  
dashed where data are incomplete. Contour  
intervals 20 and 100 gammas

Measured maximum or minimum intensity  
within closed high or closed low

Flight path  
Showing location and spacing of data
