

EXPLANATION

Surface-concentration contours. Contour interval 0.5 ppm thorium. Hachures indicate closed lows.

Base from U.S. Geological Survey, 1964

INTERIOR GEOLOGICAL SURVEY RESTON, VA 20192  
Data were gridded at a spacing of 1 km on Lambert conformal conic projection  
83° W as central meridian. Contours computer drawn

Map C.—Surface concentration of thorium (ppm eTh)
