

TOTAL INTENSITY AEROMAGNETIC MAP OF POTTSVILLE AND VICINITY, IDAHO-MONTANA
RELATIVE TO ARBITRARY DATUM
MAGNETIC CONTOUR INTERVAL 10 GAMMAS

Topography by C. P. McKinley
Surveyed in 1939
Topographic contour interval 25 feet
Datum is mean sea level

0 1 2 MILES

Flown approximately 7000 feet above sea level
Magnetic contours superimposed on topographic sheet
1950

Polyconic projection
1927 North American datum
Aeromagnetic survey 1948
by W. P. Dempsey, John R. Reese,
and Fred E. Moore
