WELLS DRILLED FOR PETROLEUM IN THE COOK INLET MESOZOIC AND TERTIARY PROVINCES, SOUTHERN ALASKA

Company and well name	Location	Year	Total depth	Section penetrated	Results
<u>KANATAK DISTRICT</u>					
J. H. Costello No. 1	Oil Creek area	1903	728	Upper Jurassic Shelikof fm.	Abandoned, crooked hole. Shows of oil
J. H. Costello No. 2	do	1904		do	Not known; probably abandoned at shallow depth
Pacific Oil & Commercial Co. No. 1	Trail Creek-Becharof Creek divide	1903-04	1,421	do	Abandoned; strong flow of fresh water. Oil residue, shows of oil and gas
Pacific Oil & Commercial Co. No. 2	Trail Creek	1904	1,542	do	Abandoned, tools lost. Shows of oil and gas
Pacific Oil & Commercial Co. No. 3	Becharof Creek?	1902-04?	not known	do	Not known; probably abandoned at shallow depth
Associated Oil Co. Alaska No. 1	Barabara Creek area, Pearl Creek dome	1923-26	3,033	Upper Jurassic; Naknek fm., upper part of Shelikof fm.?	Abandoned. Oil residue, shows of oil and gas
Associated Oil Co. Finnegan No. 1	Ugashik Creek, Pearl Creek dome	1923	560	Upper Jurassic Naknek fm.	Abandoned. Trace of oil
Standard Oil Co. of Calif. Lee No. 1	Barabara Creek area, Pearl Creek dome	1923-26	5,034	Upper Jurassic Naknek and Shelikof fms.	Abandoned. Shows of oil and gas
Standard Oil Co. of Calif. Iathrop No. 1	Pearl Creek, Pearl Creek Dome	1923	not known	Upper Jurassic Naknek fm.?	Not known; probably abandoned at shallow depth
Standard Oil Co. of Calif. McNally No. 1	Ugashik Creek, Pearl Creek dome	1925	510	Upper Jurassic Naknek fm.	Abandoned
Standard Oil Co. of Calif. Grammer No. 1 (drilled jointly with Tide Water Associated Oil Co. and Union Oil Co. of Calif.)	Salmon Creek, Bear Creek-Salmon Creek anticline	1938-40	7,596	Upper Jurassic Shelikof fm., Middle Jurassic Kialagvik fm., Lower Jurassic?, Triassic?	Abandoned. Oil residue, shows of oil and gas
					
<u>CHINITNA DISTRICT</u>					
Alaska Petroleum Co. No. 1	Bowser Creek, SE flank of Fitz Creek anticline	1900?, 1902-03	1,000-?	Middle Jurassic Tuxedni fm.	Abandoned, strong flow of salt water. Strong shows of oil and gas
Alaska Petroleum Co. No. 2	do	1904	450	do	Abandoned, caving. Shows of oil and gas
Alaska Petroleum Co. No. 3	do	1904	900	do	Abandoned. Initial production of 10 b/d reported; shows of gas
Alaska Petroleum Co. No. 4	do	1906?	not known	do	Not known; probably abandoned at shallow depth
Alaska Oil Co. No. 1	Brown Creek, SE flank of Fitz Creek anticline	1902	320	Upper Jurassic Chinitna fm.	Abandoned, tools lost
Alaska Oil Co. No. 2	do	1903	not known	do	Abandoned at shallow depth, accident to drilling equipment
Iniskin Drilling Co. I.B.A. No. 1	Fitz Creek, Fitz Creek anticline	1938-39	8,775	Middle Jurassic Tuxedni fm., Lower Jurassic?	Abandoned near limit of drilling equipment. Produced small amount of oil; shows of gas
Iniskin Unit Operator Inc. Beal No. 1	Head of Brown Creek, Fitz Creek anticline	1954-1955		do	Drilling suspended Oct., 1955 at 9,745 feet.
<u>SUSITNA-MATANUSKA AREA</u>					
Anchorage Oil & Development Co.	Oil Well Road, Anchorage	1920-21	about 300?	Quaternary unconsolidated deposits	Abandoned
Peterson Oil Association Chickaloon No. 1	Drill Lake, 2 miles west of Chickaloon	1926-30	1,465	Lower Tertiary coal-bearing sequence; intrusive igneous rocks?	Abandoned. Shows of gas
Anchorage Gas & Oil Development Co., Inc. Houston No. 1	Alaska Railroad, 1 mile northwest of Houston	1954-55		Lower Tertiary coal-bearing sequence?	Drilling suspended Oct., 1955 at 2,145 feet
Alaska Gulf Oil & Gas Co.	Near Goose Bay, west shore of Knik Arm	1955	3,855	Quaternary unconsolidated deposits, Tertiary coal-bearing sequence	Abandoned
<u>NELCHINA AREA</u>					
Aledo Oil Co. and Alaska Oil & Gas Development Co. Eureka No. 1	Glenn Highway, 3 miles southwest of Eureka Roadhouse	1953-1955		Upper Cretaceous Matanuska fm.	Drilling suspended Oct., 1955 at 3,060 feet
