

EXPLANATION

LEGENDA

SEDIMENTARY ROCKS ROCHAS SEDIMENTARES

Conga
Iron formation, detritus cemented by limonite
Detritos de formação ferrífera cimentados por limonita

Hematite boulders
Rolamentos hematíticos
Hematite boulders, cobbles, and pebbles in alluvial soil
Rolamentos hematíticos de vários diâmetros em solo aluvial

Alluvium
Aluvião
Lake beds and valley fill
Deposito de lago e de enchente de vale

Gravel
Cascalhos
Stream gravel in terraces
Cascais fluviais em terraços

UNCONFORMITY DISCORDANCIA

Metamorphic rocks
ROCHAS METAMÓRFICAS
Sabão formation
Formação Sabão
Quartzite, phyllite, and graywacke, in part altered to dominantly staurolitic schist, Mps and partially
Quartzite, filito e grauwaça, parcialmente alterados para xisto predominantemente
estaurítico, Mps e parcialmente granitizado Mps?
A parte inferior da formação contém localmente um membro de xisto clorítico, Mps.

Barreiros formation
Formação Barreiros
Phyllite and graphitic phyllite
Filita e filito grafítico

Taboas quartzite
Quartzito Taboas
Very fine grained quartzite
Quartzito de granulção muito fina

Fecho do Funil formation
Formação Fecho do Funil
Schist and dolomite phyllite
Xisto e filito dolomítico

Cercadinho formation
Formação Cercadinho
Quartzite, ferruginous quartzite and phyllite
Quartzito, quartzito ferruginoso e filito

Gandarela formation
Formação Gandarela
Dolomite, magnesian limestone, and dolomite, tabular, with phyllite and quartzite
Dolomito, calcário magnésio, e tabular dolomítico, com filito e quartzito

Caus formation
Formação Caus
Hematite with lenses of hard and powdery hematite, Mich
Hematita com lentes de hematita compacta e pulverulenta, Mich

Batalha formation
Formação Batalha
Gray and brown phyllite
Filita cinza e marrom

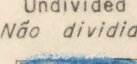

Moeda formation
Formação Moeda
Dolomite, calcareous magnesian, and tabular dolomite, with phyllite and quartzite
Dolomito, calcário magnésio, e tabular dolomítico, com filito e quartzito

Rnlu
Schist and phyllite
Xisto e filito
Undivided
Não dividida

Iron formation
Formação fértil
IGNEOUS ROCKS
ROCHAS ERUPTIVAS

Basic dikes
Diques básicos

Porphyritic basic dikes
Diques básicos porfíricos

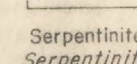

Granite and granite gneiss
Granito e gnáiss granítico
In part intrusive and in part granitized upper Minas series rocks
Parcialmente intrusiva, outra parte como granitização das rochas superiores da série Minas

Serpentine
Serpentinito

Strike and dip of beds
Direção e mergulho das camadas

Strike and dip of overturned beds
Direção e mergulho de camada invertida

Strike and dip of beds, top unknown
Direção e mergulho de camada, topo ignorado

Strike of vertical beds
Direção de camada vertical

Strike and dip of foliation
Direção e mergulho de xistoidade

Strike of vertical foliation
Direção de xistoidade vertical

Bearing and plunge of lineation
Direção e mergulho de lineação

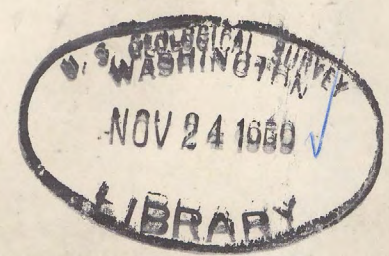

Adit
Galeria de acesso

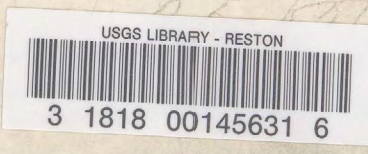

Thrust fault, location indefinite
Falta inferida, localização indefinida
